STAP VOOR STAP

STAP 1 VAN 10

Stamp our sassy lady onto a masking sheet (or copy paper) and fussy cut to create your "mask".

Secure your "mask" to the left of a piece of white card, trimmed to 5 3/4 x 4". Lay the Delightful Daisy stencil over the top and lightly blend with your Distress inks, to create your background.

STAP 2 VAN 10

Remove your "mask", ink up your sassy lady using the Midnight ink and stamp in position.

STAP 3 VAN 10

Stamp the sentiment to the bottom right of your artwork.

4

STAP 4 VAN 10

Mat on to black card measuring 6 x 4 1/4" and pop your topper to one side.

5

STAP 5 VAN 10

Trim this floral decorative paper from the Bloom & Grow pack, to 6 3/4" square. Adhere to the front of your white 7 x 7" card blank.

6

STAP 6 VAN 10

Create a panel from this decorative sheet and adhere down the right side of your prepped card. You need to cut along the top edge of the flower on the left before securing the panel in place, so you can "tuck" your topper underneath (see next step).

7

STAP 7 VAN 10

Adhere your topper to the left of your card, tucking the bottom right under your flower, as seen here.

8

STAP 8 VAN 10

Fussy cut a few coordinating flowers from another decorative sheet.

9

STAP 9 VAN 10

Mould the flowers with your fingers to give them shape before adhering to your artwork where required.

STAP 10 VAN 10

Use the Stickers to add a touch of sparkle to your finished card.
