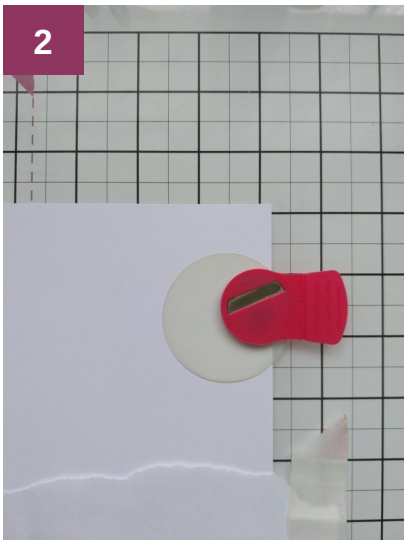
Stel Toni op onze website je vraag over elk project, product of elke techniek uit onze handleidingen.

STAP VOOR STAP

STAP 1 VAN 9

Tear a sheet of copy paper to create "hills" and secure in place just under halfway down a piece of white card cut to 4 1/2 x 6 1/2".



STAP 2 VAN 9

Secure your circle mask so it's just coming off the right edge of the card, as seen here.

STAP 3 VAN 9

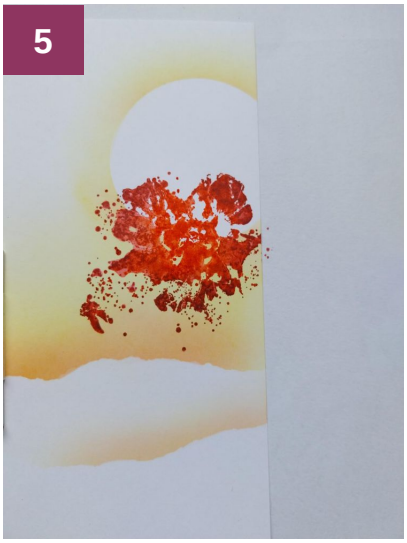
Blend your Sherbet and Bittersweet inks to create sun shining above the "hills", as shown here (once the paper and mask is removed).

4

STAP 4 VAN 9

Use the torn paper to blend a smaller "hill" coming onto the right edge, below the other.

5



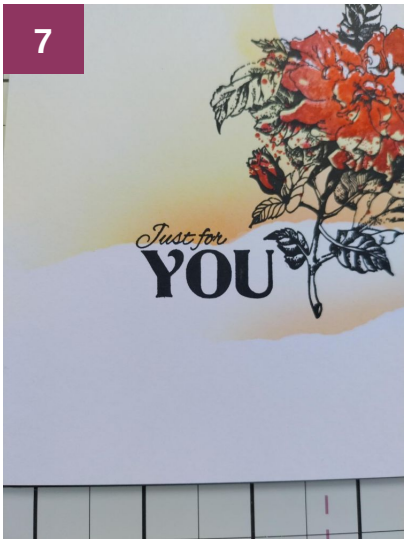
STAP 5 VAN 9

Ink up the solid lamination stamp with Redwood, spritz lightly with water and stamp on the right of your inked card, as shown here. Use your detailed stamp as a positional guide to determine where you want the flower head to be.

6

STAP 6 VAN 9

Stamp the detailed image over the solid image, in Midnight.



STAP 7 VAN 9

Stamp the sentiment in Midnight, to the lower left of your flower.

STAP 8 VAN 9

Use your black pen to draw a decorative frame around the card.

STAP 9 VAN 9

Mat onto black card cut to 4 3/4 x 6 3/4" and then onto your teal card blank, to finish.
