STAP VOOR STAP

1

STAP 1 VAN 10

Die cut an oval from white card, large enough to stamp the cake on to.

Ink up the solid stamp in the Distress inks, Kitsch Flamingo for the cake element and Hickory Smoke for the cake stand. Spritz lightly with water and stamp onto the oval.

2

STAP 2 VAN 10

Ink up the detailed stamp with the same inks and stamp over your solid image. You may need to stamp a couple of times to get the detail clear and crisp.

3

STAP 3 VAN 10

Blend around the edges of the stamped oval with your inks, splatter lightly with water and mop up the excess ink with a paper towel.

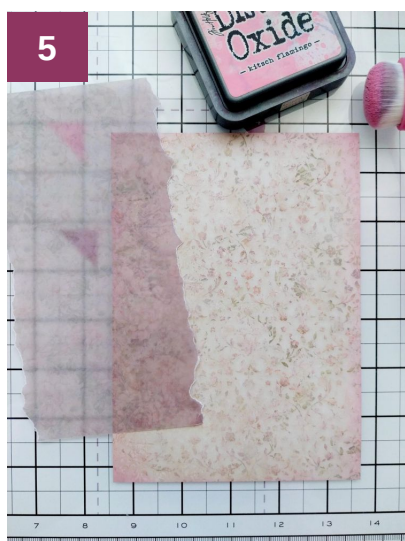

4

STAP 4 VAN 10

Stamp your sentiment across the centre of the cake, with the Versafine.

5

STAP 5 VAN 10

Trim a sheet of Sweet Serenity paper to 5 x 7" and blend around the edges with the Kitsch Flamingo. Tear a panel of the Sweet Serenity coordinating vellum.

6

STAP 6 VAN 10

Adhere the vellum panel down the centre of the paper and then the stamped oval in the centre of the vellum.

7

STAP 7 VAN 10

Cut a piece of white card to 5 1/4 x 7 1/4" and blend around the edges with Hickory Smoke, to create a coordinating "mat".

8

STAP 8 VAN 10

Adhere your artwork onto the inked "mat" and then onto your card blank.

Add enamel dots bottom left and top right.

9

STAP 9 VAN 10

Using your Holly & Berry dies, cut out a selection of flowers and foliage from coordinating Sweet Serenity papers.

10

STAP 10 VAN 10

Adhere your die cut elements to create your 3D display, around the bottom right curve of the stamped oval.
