STAP VOOR STAP

1

STAP 1 VAN 15

Place the detailed floral bouquet die, from the So Happy Die Colletion, on to one piece of the white card (5 1/2 x 4"). Place the cordinating mat die on to the other piece of white card, of the same size. Run both these through your die cutting machine.

2

STAP 2 VAN 15

Place the same mat die on to the black card (5 1/2 x 4"), and run through your die cutting machine.
Set this to one side.

3

STAP 3 VAN 15

Use your Gossip Glitter Colouring pens to colour in your detailed, floral die cut element.

4

STAP 4 VAN 15

Once the ink is dry, adhere this to your white mat die cut.

5

STAP 5 VAN 15

Adhere this on to the black die cut mat, so it creates a drop shadow, as seen here.

6

STAP 6 VAN 15

Cut the front of your card blank vertically, so it measures 6" in length by 4 3/4" in width.
Ink up this foliage stamp from the Beautiful Buttercup Stamp Collection, with the Onyx Black Versafine.
Stamp it down the right hand edge of the INSIDE, of your card blank, so it's visible when the card is closed.

7

STAP 7 VAN 15

Colour in your stamped foliage image, using the Aqua Gossip Glitter pen.
Set this to one side.

8

STAP 8 VAN 15

Stamp the same foliage stamp down the left hand side, of the white card (5 1/2 x 4 1/4"), with the Versafine.

9

STAP 9 VAN 15

Once again, use your Aqua Glitter pen to colour in the foliage.

10

STAP 10 VAN 15

Ink up one of the frame stamps, from the Dot Frame Stamp Collection, with the Versafine. You can decide how big you want your frame to be in relation to your card/ stamped image.
You can either mask off your stamped foliage first, or just ink up the area of the stamp you want to use, wiping off any ink where you don't want it to be (the method I use).

11

STAP 11 VAN 15

Once the ink is dry, adhere it on to the black card (5 3/4 x 4 1/2").

12

STAP 12 VAN 15

Adhere this on to the front of your card blank.

13

STAP 13 VAN 15

Adhere your die cut, floral element, on to the front of your card. You can use wet glue, or foam pads for added dimension. I also decided to put mine on at a jaunty angle, but you can adhere it straight/centrally, however is preferred.

14

STAP 14 VAN 15

Ink up your sentiment, from the Beautiful Moments Lamination Stamp Collection, with the Versafine.
Stamp to the bottom right of your artwork.

15

STAP 15 VAN 15

To finish, add some liquid pearl drops to the centres of your flowers, and the bow.
