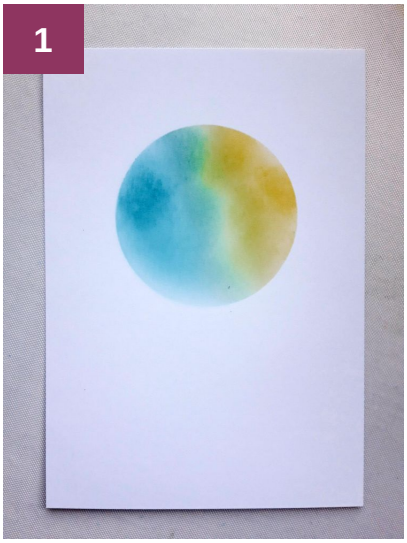
STAP VOOR STAP

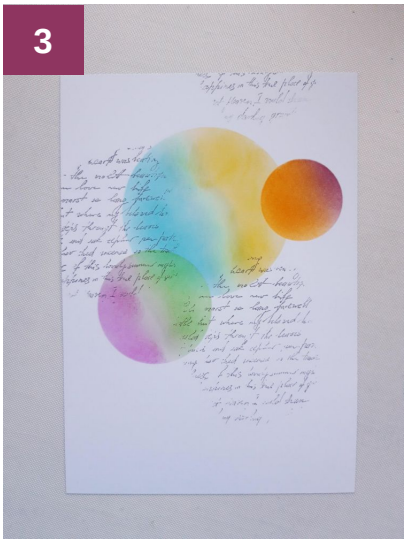


STAP 1 VAN 10

Lay your largest circle stencil/mask top centre on the white cardstock (7 1/2 x 5 1/4).
Blend the Jaune and Ocean inks within the circle stencil.

STAP 2 VAN 10

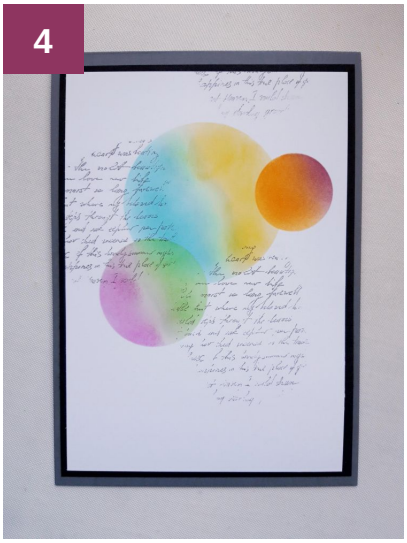
Lay the middle sized circle stencil to the left of the large one, so they overlap. Blend the Menthe and Rosee inks within this circle.
Lay the smallest circle stencil to the right of the largest, so they overlap, and blend the Cire and Cassis inks within this circle.



STAP 3 VAN 10

Ink up the Imala Handwritten stamp in the Smokey Grey Versafine and randomly stamp it around your inked circles, ensuring you stamp off the edges of the card. The idea is to create a random, distressed look.

4



STAP 4 VAN 10

Mat your background on top of the black cardstock (7 3/4 x 5 1/2") and then mat this on to your top folding card blank.
Set to one side.

5

STAP 5 VAN 10

Ink up the birds on a branch stamp, from the Dainty Birds stamp and die set, in the Versafine, and stamp on the white cardstock (6 x 4").
Use the coordinating outline die to cut out your stamped image.
Paint your stamped image, using your Menthe, Ocean, Reglisse and The (brown) ink pads. Smoosh a little ink on a craft or glass mat, add a little water and paint your image.

6

STAP 6 VAN 10

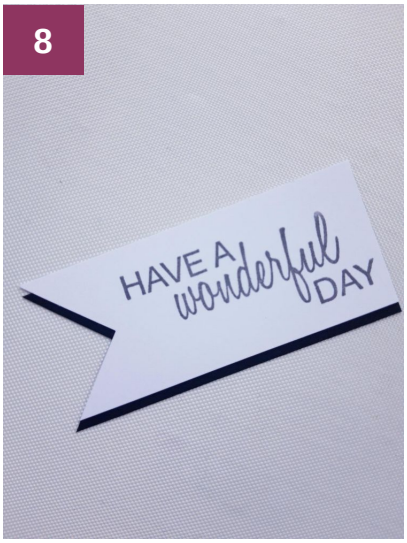
Adhere your painted birds on a branch, with foam pads, so they sit across your inked circles.

7

STAP 7 VAN 10

Use the banner tag punch on the end of the white and black cardstock (1 1/2 x 4") to create 2 banner tags.
ink up your sentiment, in the Versafine, and stamp on to the white banner tag.

8



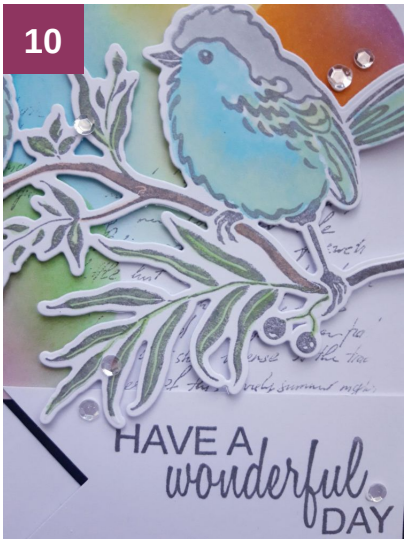
STAP 8 VAN 10

Adhere the white stamped banner tag on top of the black banner tag, to create a drop shadow effect.

9

STAP 9 VAN 10

Adhere the stamped banner tag flat on to you artwork, so it sits flush with the right hand side of your white cardstock, and tucked just under some of the foliage.



STAP 10 VAN 10

Add some sequins around your die cut image, as desired, to complete your card.
