STAP VOOR STAP

1

STAP 1 VAN 13

Wipe over the vellum with the anti static bag.

Ink up your Thirsty Brush dots texture stamp, with the WOW Embossing Ink, and stamp on to the vellum.

Apply the Unforgettable, and Be Bold, WOW powders over your stamped image. NB: put any excess powder from the first colour, back in it's own pot BEFORE applying the second colour, to avoid contamination of the powders.

Get the heat gun nice and hot, then heat set the powder, moving the gun as soon as the powder starts to turn, to avoid burning your vellum.

2

STAP 2 VAN 13

Place the embossed vellum over the white card (5 1/4 x 3 3/4").

Tuck the ends over the top and bottom of the card, and secure on the reverse, with red liner tape.

Pop this to one side.

3

STAP 3 VAN 13

Place the white card (6 3/4 x 4 3/4") on to your glass mat.

Use red liner tape to create randomly spaced, vertical stripes down your cardstock. (Don't worry about going over the ends of the card).

4

STAP 4 VAN 13

Carefully trim off all the tape overhanging the top, and bottom, of your card.

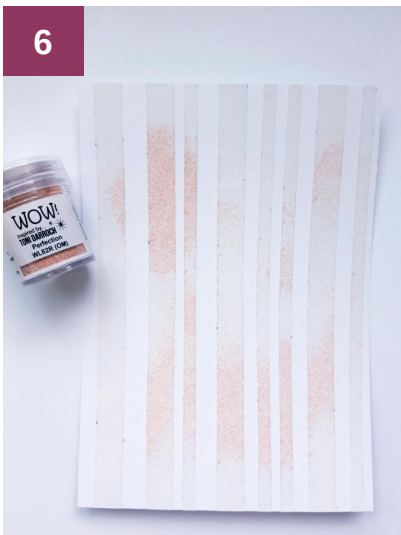

5

STAP 5 VAN 13

Wipe all over your cardstock, with your anti static bag, whilst the tape backing is still in place.

6

STAP 6 VAN 13

Peel off all the backing, from your red liner tape, being careful not to leave too many fingerprints on the card!

Sprinkle the Perfection WOW powder over random areas of the sticky tape.

Pop any excess powder back in it's pot.

7

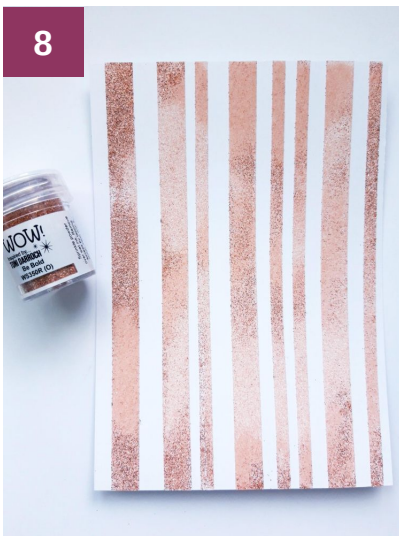

STAP 7 VAN 13

Sprinkle the Unforgettable WOW powder randomly, over some of the areas of the uncovered tape.

Pop any excess powder back in it's pot.

8

STAP 8 VAN 13

Now apply the Be Bold WOW powder all over your background, so it fills in any of the gaps.

Pop the excess powder back in it's pot.

Get the WOW heat tool nice and hot, before heat setting all the powder.

9

STAP 9 VAN 13

Adhere your embossed background on to the front of your top folding, black card blank.

10

STAP 10 VAN 13

Adhere your embossed dots panel on to the centre of your card. You can use wet glue, or foam pads for added dimension. Set this to one side.

11

STAP 11 VAN 13

Wipe the anti static bag over the white card (1 1/2 x 3 3/4").

Ink up your sentiment stamp, from the Beautiful Soul Stamp Collection, with the WOW Embossing ink.

Stamp on to the white card.

Apply the Be Bold WOW powder over the stamped image.

Get your gun nice and hot then heat set your powder.

12

STAP 12 VAN 13

Adhere your embossed sentiment on to the black card (1 3/4 x 3 3/4"), so the left and right sides are flush, and there is equal black card visible top, and bottom.

13

STAP 13 VAN 13

To finish adhere your sentiment across the embossed dots panel, where desired, using wet glue, or foam pads, for more dimension.
