STAP VOOR STAP

1

STAP 1 VAN 13

Using the **Stylized Star stencil** as a guide, use the low tack/masking tape, to mask off a panel near the top of the white card (8 x 5 1/2").

2

STAP 2 VAN 13

Place the **star stencil** within the **masked off panel**, so its near to the top and just off the right hand edge, of the card.

3

STAP 3 VAN 13

Spray the **Izink Butterscotch** and **Morning Mist** within the star, leaving some white spaces.

4

STAP 4 VAN 13

Use your paint brush to splatter water over the ink. Wait a few seconds, then mop up the excess water and ink, with a paper towel. Dry off the sprayed ink.

5

STAP 5 VAN 13

Lightly blend the Izink Pigment ink around the edges of the masked off panel.

The Pigment ink is a slow drying ink, so make sure the ink is completely dry, before moving to the next step.

6

STAP 6 VAN 13

Carefully remove all the low tack/masking tape.

7

STAP 7 VAN 13

Place the star stencil back in place and use a fine line, black pen, to draw around random areas of the stencil, to accentuate it's shape.

8

STAP 8 VAN 13

Use your ruler and black pen to draw a line along the top of the inked panel.

Draw a line along the bottom of the inked panel and a second line just below that.

9

STAP 9 VAN 13

Ink up the decorative circle/sun stamp, from the same collection, with the Onyx Black Versafine.

Stamp it centrally, within your inked star.

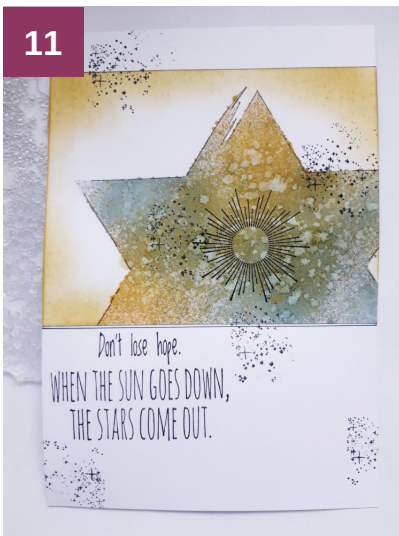

10

STAP 10 VAN 13

Ink up the sentiment stamp with the Versafine and stamp under the inked panel, to the left of your card.

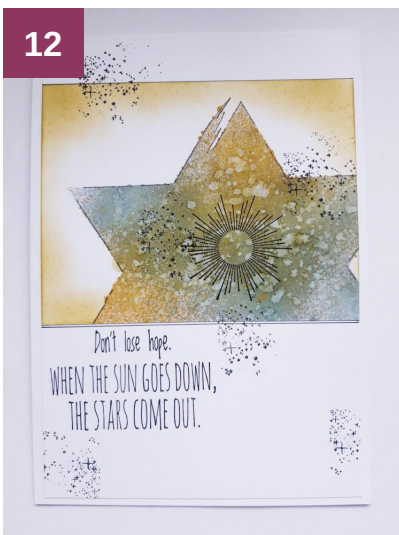

11

STAP 11 VAN 13

Ink up the textured star stamp with the Versafine and randomly stamp on and around your artwork.

12

STAP 12 VAN 13

Once all your artwork is dry, adhere it on to the front of your white, top folding card blank.

13

STAP 13 VAN 13

To finish add your Stickles wherever you want a bit of glitter and sparkle!
