STAP VOOR STAP

STAP 1 VAN 11

Apply the Distress Oxides one at a time, on to your craft mat. Spritz with water and mop up the inks, to create your background.
Blast with your heat tool.

STAP 2 VAN 11

Ink up this beautiful floral stamp, from the Hope Collection, with the Onyx Black Versafine and stamp across the top left corner of your background.
Repeat, this time stamping it in the bottom right corner.

STAP 3 VAN 11

Placing the Dash Frame stamp in position, ink it up with the Versafine but only in the top right and bottom left corners, then stamp as shown here.

4

STAP 4 VAN 11

Using the die from the Hope Collection, die cut 2 butterflies from decorative sheets in It's All About You paper pads, or from any other papers in your crafty stash.
Place the 2 die cut butterflies as shown here, to determine where you want to stamp the butterfly, from the Hope Collection.

5

STAP 5 VAN 11

Ink up the buttefly stamp with the Versafine and stamp in position.

6

STAP 6 VAN 11

Using your die cut butterfly as a guide, ink up and stamp the second butterfly in place, so in a later step the die cut butterfly will be adhered directly ON TOP of the stamped image.

7

STAP 7 VAN 11

Repeat the previous step, stamping the 3rd butterfly where the other die cut butterfly will eventually be adhered.

8

STAP 8 VAN 11

Ink up the sentiment stamp from the Beautiful Moments Stamp Collection, with the Versafine and stamp where required, remembering you still have the die cut butterflies to add.

9

STAP 9 VAN 11

Adhere your artwork on to your top folding, pink card blank.

10

STAP 10 VAN 11

Add sparkle to your die cut butterflies, then adhere in place on top of the 2 stamped butterflies.

11

STAP 11 VAN 11

To finish, use the Liquid Pearl Drops to add butterfly trails.
