STAP VOOR STAP

STAP 1 VAN 12

Remove this decorative paper from the Imala Collage Paper Pad and tear to approx 8 x 5 1/2" (so it will sit nicely on your card blank).

STAP 2 VAN 12

Pop some white Gesso on to your glass mat, then use a brayer, or a dry flat paint brush, to randomly apply it over the decorative paper. This pushes the vibrant design back, allowing your focal image to pop.

STAP 3 VAN 12

Randomly ink up the Imala Jumbled Up, with the Onyx Black Versafine. Hold the stamp in your hand and randomly stamp on to the gessoed paper, thus creating a distressed effect.

STAP 4 VAN 12

Ink up our gorgeous Flower Power girl with the Versafine and stamp just off the bottom left of your background. Set aside to dry.

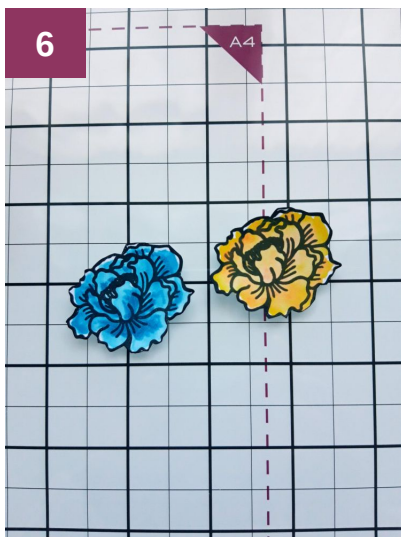

STAP 5 VAN 12

Reink her and stamp on to the white card, cut to 7 x 5".

Cut her out, setting the remaining white card to one side for the next step.

Paint her using your watercolour paints and set aside to dry.

STAP 6 VAN 12

Reink the flower in her hair and stamp twice, on to the white card you set aside.

Cut around the flowers, then paint with your watercolours.

**STAP 7 VAN 12**

Adhere your painted image over the top of the stamped image, on the decorative paper, tearing off any overhang.

**STAP 8 VAN 12**

Adhere on to your pink card blank.

**STAP 9 VAN 12**

Adhere your florals to the bottom right of your lady, using foam pads, for added dimension. Set to one side.

STAP 10 VAN 12

Ink up the sentiment stamp with the Versafine and stamp on to the white card (3 x 2").

Once the ink is dry, tear around your sentiment.

STAP 11 VAN 12

Adhere your sentiment on to your card, so its tucked just under the flowers.

STAP 12 VAN 12

Finally, use a white gel pen to add accents and highlights to your artwork.
