STAP VOOR STAP

STAP 1 VAN 14

Ink up the floral stamp, from the Beautiful collection, with the Onyx Black Versafine and stamp in the bottom left corner of the 5 1/4" square, white card.

STAP 2 VAN 14

Use your watercolour paints to paint your stamped image.

STAP 3 VAN 14

Once the paint is dry, use a white gel pen to add accents and highlights to your coloured image.

Place the perfume bottle die from the Beautiful set, as shown here, and run it through your die cutting machine. Keep the die cut perfume bottle element, for a later step.

NB: Leave enough of the cardstock down the right side of the perfume bottle, to place foam pads or foam shaker tape.

4

STAP 4 VAN 14

Place double sided tape or red liner tape, on the reverse, around the edges of the die cut perfume aperture and the cardstock. Adhere the acetate in place.

5

STAP 5 VAN 14

Adhere your foam pads or foam shaker tape, around the outer edges of the cardstock and as close as you can to the edges of the perfume bottle aperture. This will prevent the glitter leaking out of any gaps. Pop to one side.

6

STAP 6 VAN 14

Tear this sheet from the Funky Fossil Watercolour Rainbow Paper Pad and trim to 5 1/2" square.

7

STAP 7 VAN 14

Using your perfume aperture artwork as a guide, sprinkle your chosen glitter on to the paper, so it will appear through the perfume bottle window, when adhered. Try to spread out the glitter within the area the window will be, so it will "shake" freely.

8

STAP 8 VAN 14

Remove the backing from the foam tape and wipe over the acetate aperture window and the inside edges of the foam, with your anti-static bag.

9

STAP 9 VAN 14

Carefully adhere your artwork on top of the decorative paper, ensuring the glitter sits within the acetate window. Make sure your foam tape is pressed down firmly and has created a secure bond, before you move and shake the glitter!

STAP 10 VAN 14

Adhere to the front of your 6 x 6" card blank.

STAP 11 VAN 14

Cut out the floral element, from the perfume bottle die cut you set aside earlier.

STAP 12 VAN 14

Adhere to the bottom right corner of your artwork and pop to one side.

STAP 13 VAN 14

Ink up the sentiment stamp with the Versafine and stamp on to the 2 x 2" white card.

Use the co-ordinating outline die to cut it out.

STAP 14 VAN 14

Adhere on to your perfume bottle, to finish.
