STAP VOOR STAP

1

STAP 1 VAN 14

Place the Cocktail die on a masking sheet or copy paper and run it through your die cutting machine, to create a "mask".

2

STAP 2 VAN 14

Place the mask to the left of the white card, cut to 6 1/4 x 4 1/4". You can secure it in place with low adhesive tape, or with a magnet on your magnetic glass mat.

3

STAP 3 VAN 14

Place stencil 1 off the top right corner of the card and lightly blend through with the Izink Grenadine. Move the stencil to another position and blend the ink again. Repeat this several times to create the first stage of your background.

STAP 4 VAN 14

Line up stencil 2 on one of the stencilled images and blend the Izink Grenadine through the cocktail glass area, with a little more pressure and the Izink Menthe for the lime.

Repeat this process over each of your stencilled designs.

STAP 5 VAN 14

Line up stencil 3 on the first image and go back in with both inks, but this time with a lot more pressure, to get the depth of colour required.

Repeat over the other images.

STAP 6 VAN 14

Ink up the co-ordinating stamp with the Smokey Gray Versafine and stamp over your first image.

Reink and stamp over each of the stencilled images.

7

STAP 7 VAN 14

Once your artwork is dry, carefully remove the Cocktail "mask".

8

STAP 8 VAN 14

Reink the Cocktail stamp with the Versafine and stamp in the masked off area.

9

STAP 9 VAN 14

Using your chosen die as a guide, place the vellum panel diagonally, across the top right corner of your background. The die cut sentiment will need to fit along the length of the vellum.

Tuck the overhanging vellum behind the card and adhere, on the reverse, with your double sided tape.

10

STAP 10 VAN 14

Die cut your chosen sentiment on the white card and the layering mat die, if it has one, from the black card. Adhere them together, as required.

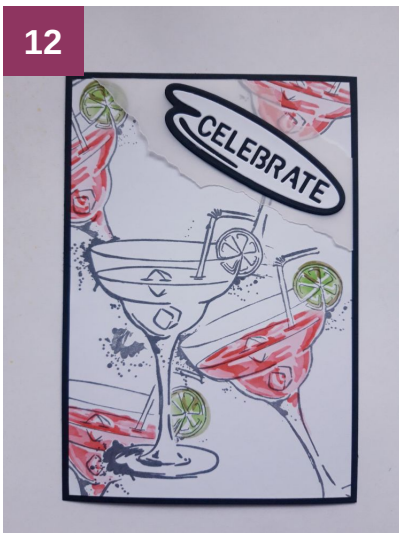

11

STAP 11 VAN 14

Adhere on to your vellum panel, with foam pads.

12

STAP 12 VAN 14

Adhere your artwork on to the black card, cut to 6 1/2 x 4 1/2".

13

STAP 13 VAN 14

Adhere to the front of your kraft card blank.

14

STAP 14 VAN 14

To finish, use your clear overlay Gossip Sparkle pen on your focal image, for a "sparkly" tippel!
