STAP VOOR STAP

STAP 1 VAN 8

You need to create a heart aperture stencil, out of the copy paper, that will fit in the lower right corner of your card, as seen in the finished design.

You can either use a nesting heart die or, like me, you can go for a more "organic" look and draw your own heart freehand, then cut it out!! Go on...be brave.

STAP 2 VAN 8

Position your heart stencil towards the lower right corner of the white card, cut to 6 1/4 x 4 1/4" and using your blending tool, apply the Limeade ink within.

STAP 3 VAN 8

Ink up this very beautiful stamp, from the Imala Adventure set, with the Midnight hybrid ink and stamp on to your inked heart. I wanted the plant stem to grow up through the centre of the heart, but you can stamp yours wherever you want.

4

STAP 4 VAN 8

Ink up the sentiment stamp with Midnight and stamp to the left of your image, but so they are connected, rather than having a floating sentiment.

5

STAP 5 VAN 8

Adhere your artwork on to the Blush mirri card.

6

STAP 6 VAN 8

Wrap some twine around your card three times, then tie in a bow and trim off any excess.

7

STAP 7 VAN 8

Adhere on to your kraft card blank with foam pads.

8

STAP 8 VAN 8

To finish, add clear adhesive water drops to your artwork.
