STAP VOOR STAP

STAP 1 VAN 11

Using a large paint brush, wet a panel down the middle of the white card. Don't be too precious about it as you want to create an arty look!

STAP 2 VAN 11

Apply the Premium inks to your glass mat, then drop the colours in to the wet panel, allowing the inks to move and blend. Mop up the excess water/ink, with a paper towel, then when you're happy, blast it with your heat tool. You can add your colour in stripes, as I have done or you can create a completely abstract inky panel. The choice is yours.

STAP 3 VAN 11

Splatter your artwork with water and mop up the excess water with a paper towel, then finish splattering with the inks, before blasting it dry.

STAP 4 VAN 11

Ink up this beautiful floral stamp, from the Just For You Stamp and Die Collection, with the Midnight hybrid ink and stamp on to your inky panel. Set to one side to dry.

STAP 5 VAN 11

Use the Merci die to cut out FOUR word elements, from the black card.

STAP 6 VAN 11

Adhere one on top of the other, to create a more substantial, 3D word element. You can, of course, do more than four die cuts, making it as thick as you want.

STAP 7 VAN 11

Ink up the Love and Hugs stamp, from the Just For You set, with Midnight. Then using your 3D die cut element as a guide, stamp it so when adhered, it will sit below the die cut.

STAP 8 VAN 11

Adhere your 3D Merci element in place.

STAP 9 VAN 11

Adhere your artwork on to the front of your white card blank.

10

STAP 10 VAN 11

Add sequins to your artwork, as required.

11

STAP 11 VAN 11

Finish off by adding accents and highlights, with a white gel pen.
