STAP VOOR STAP

STAP 1 VAN 10

Choose one of the decorative papers from the SBM Box Kit magazine and cut a piece slightly bigger than the Quattro D handbag stamp. Adhere this on to the 4" square white card.

Ink up the handbag stamp with the Midnight Hybrid ink and stamp on to the reinforced decorative paper.

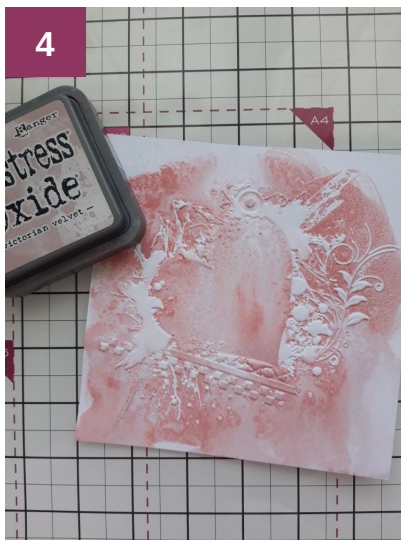

STAP 2 VAN 10

Place the coordinating die over your stamped image and run through your die cutting machine.

STAP 3 VAN 10

Line up your die cut element in the coordinating embossing folder and run it through your machine (remember to swap your machine plates over as appropriate!). Set it to one side for later.

STAP 4 VAN 10

Ink up BOTH sides of the Love & Happiness embossing folder, with the Victorian Velvet Oxide and spritz both with water. Place the 6" square white card inside and run it through your embossing machine. You now have both the embossed and debossed side, inked up and ready for you to choose which side you want!! Once dry, trim down to 5 1/2" square.

STAP 5 VAN 10

Ink up the Hello You sentiment stamp, from the Daisy Delight Stamp and Die Collection, with the Midnight Hybrid ink and stamp in the centre of your heart.

STAP 6 VAN 10

Adhere your inky embossed background on to the 5 3/4" black card, then set to one side.

7

STAP 7 VAN 10

Ink up the handbag and sunglasses stamps with the Midnight ink and stamp randomly on to your white card blank.

Ink up the Friends Forever sentiment stamp, from the Forever Lilies Stamp and Die Collection and incorporate it within your background.

8

STAP 8 VAN 10

Use foam pads to adhere your embossed topper on to your stamped card blank. I went for jaunty...but you don't have to!!

9

STAP 9 VAN 10

Attach your 3D handbag with foam pads, to the bottom right of your embossed topper.

10

STAP 10 VAN 10

An optional final step, is to use a fine line black pen to add accents to your embossed design, such as around the heart, circles etc, as required.
