STAP VOOR STAP

STAP 1 VAN 14

Remove these 3 papers from the Secret Forest paper pack and trim each one to 5 1/2" square.

STAP 2 VAN 14

Ink up the debossed side of the embossing folder with the Black Soot, spritz with water and place the first paper inside. Run through your machine.

STAP 3 VAN 14

Repeat with the second paper.

4

STAP 4 VAN 14

Repeat again, with your third decorative paper.

5

STAP 5 VAN 14

For this first paper, lightly apply your Gold gilding wax over the embossed areas and buff with a soft cloth, to lift the shine.

6

STAP 6 VAN 14

For this paper, gently swipe your Black Soot ink pad over the embossed areas.

STAP 7 VAN 14

For the last, darker paper, swipe your Cotton pigment ink pad over the embossed areas.

Dry all the inked papers thoroughly, before proceeding to the next step.

STAP 8 VAN 14

Tear the pink embossed paper, leaving the left hand side untouched. Repeat with the green paper, this time leaving the right edge of the paper untouched.

NB: Don't throw away the leftover, torn panels as you can use these for other projects.

STAP 9 VAN 14

Line up all the embossed leaves, before adhering the pink flush down the left side of the gold embossed paper and the green flush with the right side. Lift and scrunch the torn edges, to add effect and dimension to your artwork.

10

STAP 10 VAN 14

Wipe your **Black Soot** ink pad around the **4 sides** of your papers, bringing them all together.

11

STAP 11 VAN 14

Adhere on to the black card trimmed to 5 3/4" square.

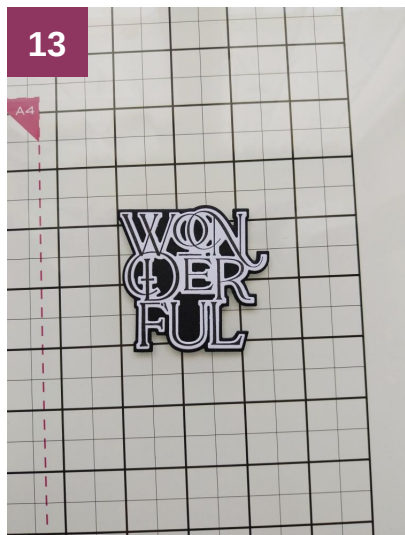

12

STAP 12 VAN 14

Stamp the "Wonderful" sentiment, from Saying Hello, in Midnight, on to a piece of white card. Secure the coordinating die in place. Pop the layering die on to black card and run both through your machine.

13

STAP 13 VAN 14

Adhere the detailed sentiment on to the black mat.

14

STAP 14 VAN 14

Adhere to the bottom left of your embossed artwork, before adhering this on to your white card blank, to finish.
