STAP VOOR STAP

STAP 1 VAN 14

Take out this decorative paper from the Royal Blue paper pack and trim to 8 x 3 3/4".

STAP 2 VAN 14

Remove this paper from the Classic Celebration Textured pack and trim to 8 x 2 1/4".

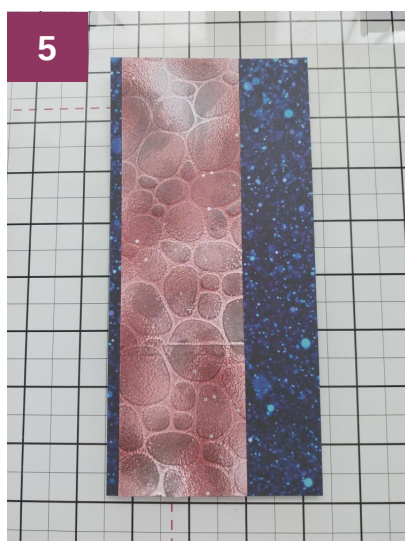

STAP 3 VAN 14

Place the pink paper in your Pebble Dash folder and run it through your embossing machine. Turn it around and emboss the other end, so you have a continuous design. Don't worry if you have a slight line in the embossed detail, as we can cover with our vellum panels.

STAP 4 VAN 14

Add water to the Graphite Confetti ink and using a blending tool...or your finger, smoosh it over the embossed areas of the paper.

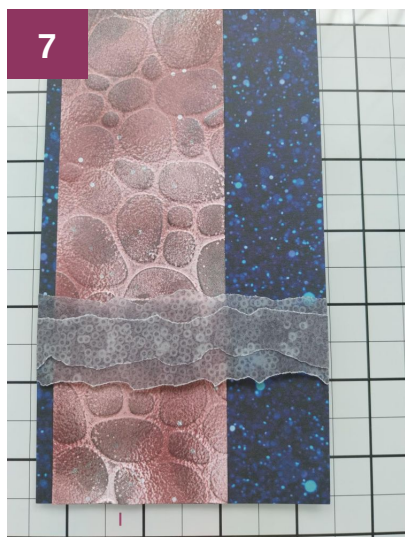

STAP 5 VAN 14

Adhere the embossed panel to the left of the blue paper, leaving a slight gap visible down the left side.

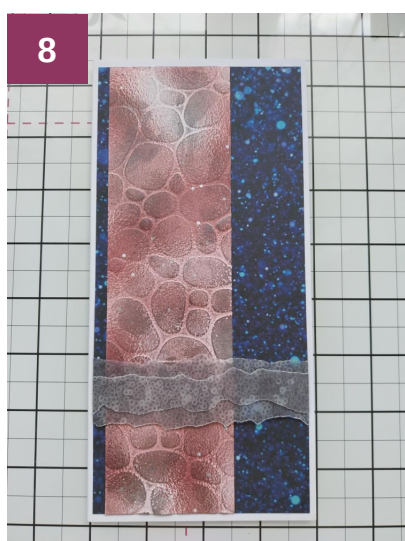

STAP 6 VAN 14

Tear 2 panels of vellum from the Classic Celebration pack, roughly 4 1/4" long and one wider than the other.

STAP 7 VAN 14

Adhere the widest first, across the bottom third of the papers, securing on the reverse with double-sided tape. Adhere the narrower one on top, again securing on the reverse.

STAP 8 VAN 14

Adhere to the front of your DL card blank and set to one side.

STAP 9 VAN 14

Fussy cut out one of the right-facing lady's, shoes and floral elements from the Classic Celebration paper pack.

10

STAP 10 VAN 14

Adhere to your card, using a combination of wet glue and foam pads, so she is standing on the vellum panels.

11

STAP 11 VAN 14

Die cut the detailed and layering "Just Because" sentiments from the left over pink and blue papers.

12

STAP 12 VAN 14

Adhere the detailed sentiment on to it's layering mat.

13

STAP 13 VAN 14

Adhere the sentiment going down the embossed panel.

14

STAP 14 VAN 14

To finish, add Stickles to the folds of the gown, shoes and floral elements.
