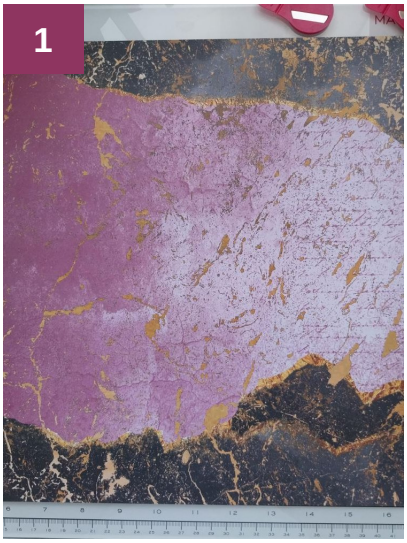
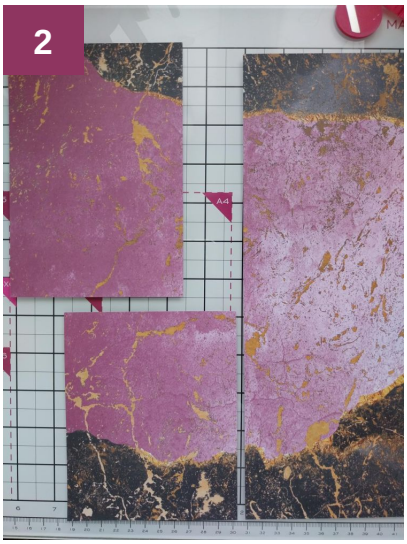
STAP VOOR STAP



STAP 1 VAN 14

We need this beautiful double-sided 12 x 12" paper, from the Mulberry & Gold Paper Collection.



STAP 2 VAN 14

Trim a piece from the paper 6 1/2 x 4 1/2", which incorporates both the black and mulberry pattern (see top left).
Pop the remaining paper off-cuts to one side.

STAP 3 VAN 14

Place the trimmed panel inside your Honeycomb Swirl embossing folder and run it through your machine.

STAP 4 VAN 14

Swipe your Black Soot ink pad lightly over the raised, embossed areas. It's easier to start off lightly, then you can gradually build up the itensity of colour, as required.

STAP 5 VAN 14

Dry off the black ink before lightly swiping the Metal Gold Izink over random, embossed areas.

STAP 6 VAN 14

Add water to the Goldmine Confetti ink, then splatter over your artwork.
Pop to one side to dry or blast with a heat tool, if you're impatient like me!! Note that the pigment/embossing Metal Gold ink is slow drying!!

7

STAP 7 VAN 14

From the same 12 x 12" patterened paper, trim a panel 7 1/4 x 5 1/4, but this time we will be using the other side of the paper.

8

STAP 8 VAN 14

Mat your dried, embossed artwork on to the trimmed, decorative mat, before popping it to one side.

9

STAP 9 VAN 14

From your left-over pieces of paper, tear TWO panels, 1 wider than the other, both 5 1/4" in length.

10

STAP 10 VAN 14

Adhere the torn panels across your artwork, the narrower panel being on top, as seen here.

11

STAP 11 VAN 14

Adhere your artwork on to the black card, trimmed to 7 1/2 x 5 1/2" and then on to your pink card blank.
Pop to one side.

12

STAP 12 VAN 14

Die cut the detailed sentiment, out of the Creative Words Collection, from a piece of black card and the mat layer from the left over Mulberry paper.

13

STAP 13 VAN 14

Adhere the detailed die cut on top of the paper die cut mat.

14

STAP 14 VAN 14

Adhere your die cut sentiment on top of the vellum panels, to the left of your artwork, to finish.
