## STAP VOOR STAP

1

### STAP 1 VAN 9

**Stamp our cheeky monster in Midnight**, on to a piece of white card and use the coordinating die to cut it out.

2

### STAP 2 VAN 9

**Paint your monster** with the neon paints.

3

### STAP 3 VAN 9

**Once the paints are completely dry**, use a white gel pen to add accents and highlights as required.

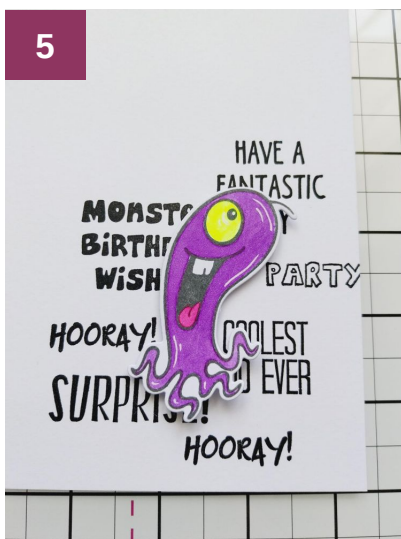

4

## STAP 4 VAN 9

Using your die cut monster as a positional guide, stamp a selection of sentiments from the stencil and stamp set, in the Midnight, on to the white card cut to 6 1/2 x 4 1/2", so they create a background for our monster to sit on.

5

## STAP 5 VAN 9

Use foam pads to adhere your monster over the stamped sentiments and pop to one side.

6

## STAP 6 VAN 9

Cut **THREE** coordinating panel strips from the patterned and foundation papers, in various widths.

## STAP 7 VAN 9

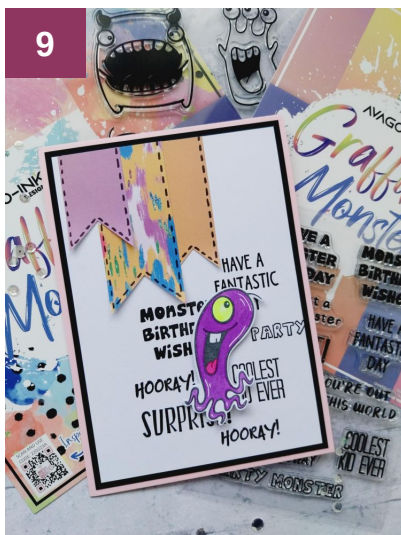

Use the banner tag punch on one end of each strip, then cut them to the desired lengths (see finished card).

Use a black pen to add stitched detail to each.

## STAP 8 VAN 9

Adhere the paper banners so they are hanging down from the top left corner of the white card, allowing the "tails" to hang loose.

## STAP 9 VAN 9

To finish, adhere to the black card cut to 6 3/4 x 4 3/4" and then on to the front of your 7 x 5" pink card blank.
