STAP VOOR STAP

STAP 1 VAN 15

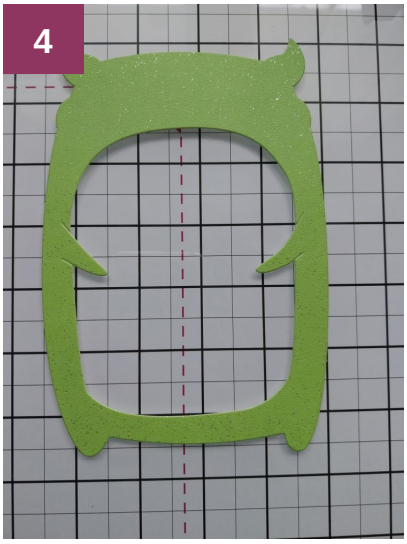
Use the outline die from the Graffiti Monster die set, to cut TWO monsters from black card. Set the remaining black card to one side, as you will need it later.

STAP 2 VAN 15

Score across ONE of the black die cut monsters, about 1cm down from the top and apply red liner tape ABOVE the score line.

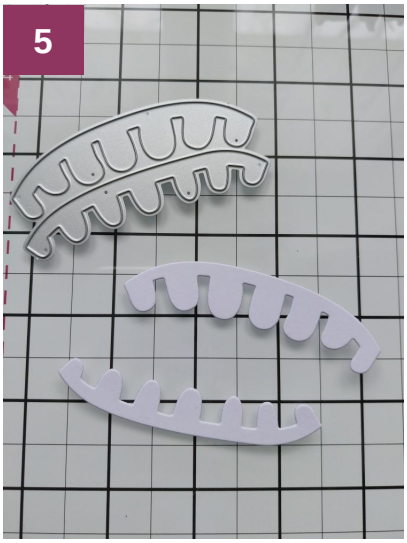
STAP 3 VAN 15

Adhere the two monsters together, to create your shaped card blank and set to one side.



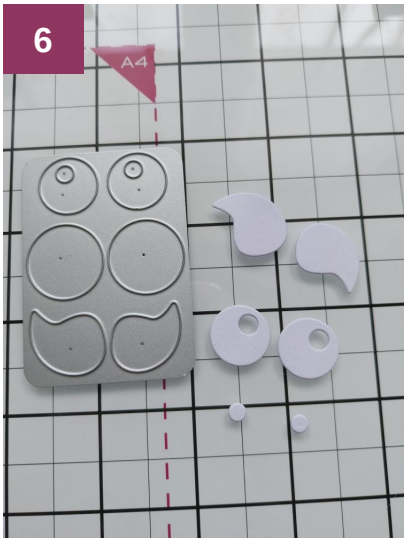
STAP 4 VAN 15

Use the detailed die to cut your monster from your chosen glitter card.



STAP 5 VAN 15

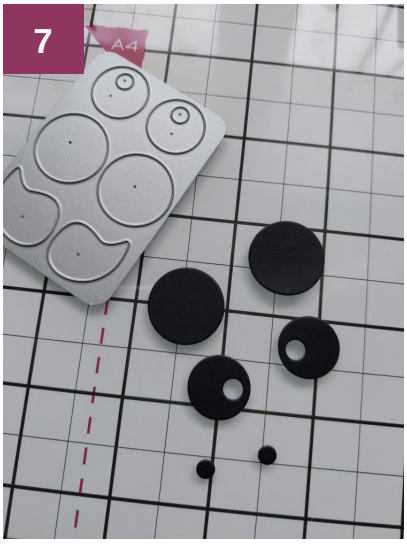
Die cut the "teeth" from white card.



STAP 6 VAN 15

Die cut the eyes and horns, from white card.

7



STAP 7 VAN 15

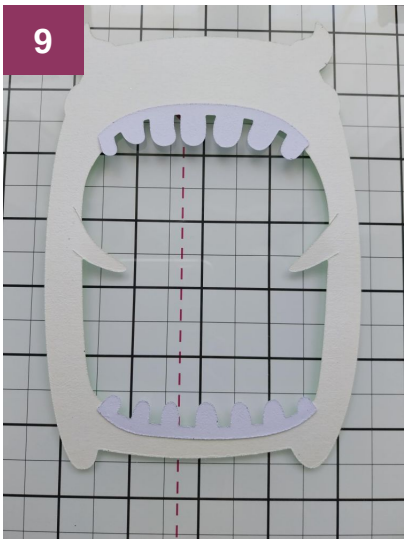
Die cut another set from the leftover black card that youset aside earlier.

8

STAP 8 VAN 15

Adhere a combination of the die cut elements together, to create your monster's eyes.

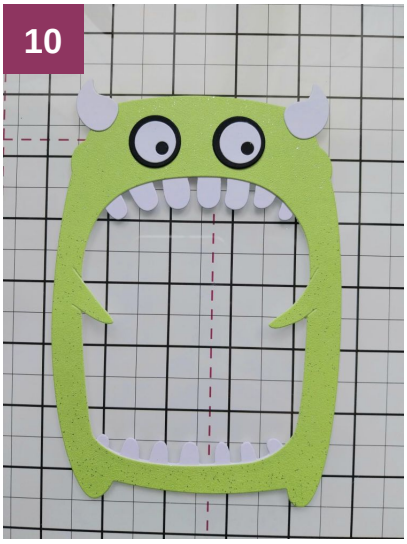
9



STAP 9 VAN 15

Adhere the "teeth" in place, securing them on the reverse of your glitter monster.

10



STAP 10 VAN 15

Adhere the eyes and horns in place, as desired. You can add wiggly, googly eyes if you so wish!!

11

STAP 11 VAN 15

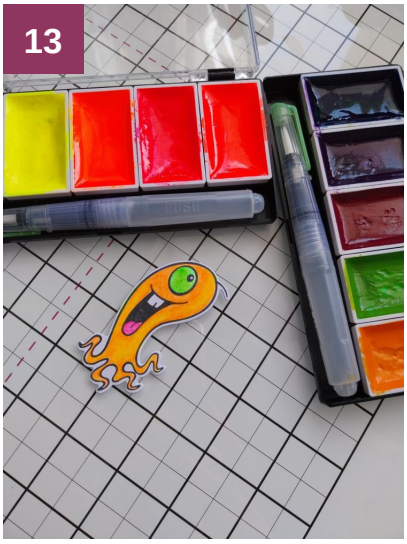
Adhere your glitter monster on to your black, shaped card blank and pop to one side.

12

STAP 12 VAN 15

Stamp this cheeky Monster in the Midnight ink, on to a piece of white card and use the coordinating die to cut it out.

13



STAP 13 VAN 15

Use your neon watercolour paints to colour it in.

14

STAP 14 VAN 15

Using your die cut monster as a guide, stamp the sentiment from the stencil and stamp set, with the Cotton pigment ink, so it sits to the left of where your monster will be.
NB: Pigment ink is slow drying and will smudge, so make sure it's completely dry. If you're impatient like me, give it a quick blast with a heat tool!

15

STAP 15 VAN 15

To finish, adhere your cheeky monster so he's captured under the glitter monster's arm! **Gottcha!!!!**
