STAP VOOR STAP

STAP 1 VAN 13

Place the stencil on top of your white card, cut to 6 1/2 x 4 1/2" and use your blending tool to randomly blend with the Limeade, Hedgerow and Magenta inks.

STAP 2 VAN 13

Whilst the stencil is still in place, splatter water over the ink, wait a few seconds then mop up with a paper towel.

STAP 3 VAN 13

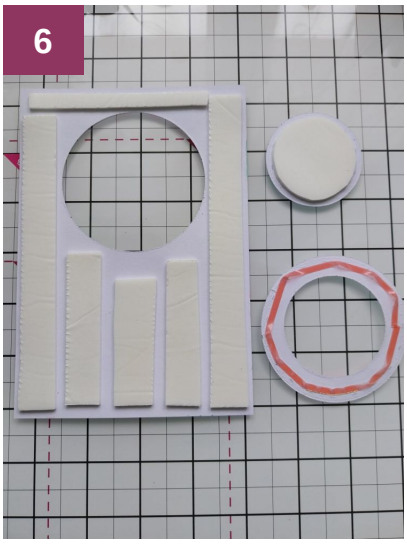
Placing the 2" and 2 3/4" circle nesting dies where you want them to be, position the sentiment stamp in the middle.

STAP 4 VAN 13

Stamp the sentiment in position, in the Midnight ink.

STAP 5 VAN 13

Place the 2 dies back in position, around your sentiment and run them through your die cutting machine.



STAP 6 VAN 13

Adhere foam pads to the reverse of the stencilled card and on the stencilled circle die cut. Apply red liner tape or wet glue, on the reverse of the die cut circle frame, as seen here.

7

STAP 7 VAN 13

Adhere the stencilled aperture background on to glitter card, cut to 6 3/4 x 4 3/4".

8

STAP 8 VAN 13

Adhere the stencilled frame flat, within the aperture, ensuring you line up the stencilled pattern.

9

STAP 9 VAN 13

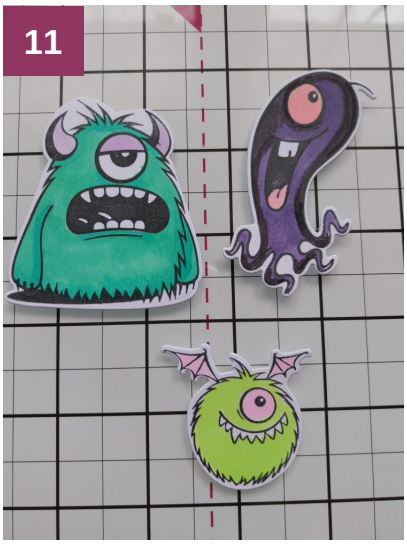
Adhere your stencilled sentiment in the centre, again ensuring you line up the stencilled design.

10

STAP 10 VAN 13

Adhere this to the front of your 7 x 5" pink card blank, then pop to one side.

11



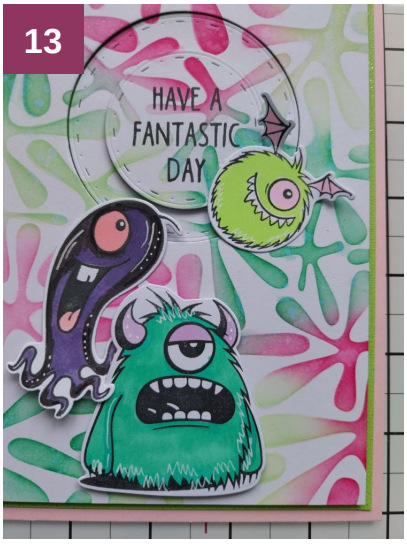
STAP 11 VAN 13

Stamp these cheeky monsters in the Midnight ink, on to a piece of white card. Use the coordinating die to cut them out.
Use your Gossip alcohol pens to colour them in.
Tip: Place a sheet of copy paper underneath, to protect your work surface from the alcohol ink that will bleed through the card.

12

STAP 12 VAN 13

Use your white gel pen to add accents and highlights to your characters.



STAP 13 VAN 13

Adhere your monsters with foam pads where required and voila!!
