STAP VOOR STAP

1

STAP 1 VAN 11

Choose a paper from the Winter Story Foundation Pack, tear a panel and adhere down the left side of your 6 x 6" white cardstock, as seen here. You want it to cover roughly half of the card, on a diagonal angle. Scrunch up the torn edge to add dimension.
Use a blending tool to blend the Iced Spruce down the side and along the top and bottom of the texured paper.
Set the remaining paper to one side, to use in a later step.

2

STAP 2 VAN 11

From a DIFFERENT texure paper, tear a panel that is slightly smaller in width than the first.
Place it inside your Autumn Breeze embossing folder and run it through your machine. Blend the Iced Spruce Oxide around the edges.

3

STAP 3 VAN 11

Gently wipe your Midnight ink pad over the raised, embossed areas of your paper.

STAP 4 VAN 11

Adhere on top of the other paper panel, scrunching the torn edge as before.

STAP 5 VAN 11

Fussy cut this beautiful fir tree and Fawn, from the Winter Story Embellishment Pack, blending a little of the Iced Spruce around the edges of the tree.

STAP 6 VAN 11

Tear a small piece from the textured paper, you set aside earlier.

7

STAP 7 VAN 11

Adhere the fir tree and Fawn as seen here, before gluing the torn paper in front, to "ground" your layout. Scrunch the top torn edge, as before.

8

STAP 8 VAN 11

Cut out this sentiment banner from the embellishment pack topper sheet. Swipe the Midnight ink pad around the edges.

9

STAP 9 VAN 11

Adhere to the bottom of your artwork with foam pads.

10

STAP 10 VAN 11

Adhere your artwork on to your 7" square, white card blank.
Use a black pen to draw a decorative, wiggly frame around the card.

11

STAP 11 VAN 11

To complete your card, use the Stickles to add glitter and sparkle where required.
