Stel Toni op onze website je vraag over elk project, product of elke techniek uit onze handleidingen.

STAP VOOR STAP

STAP 1 VAN 12

Trim a piece of white card to 6 1/2 x 4 1/2", place inside your HD3D Timber embossing folder and run it through your machine. Alternatively, you can use any embossing folder in your crafty stash.

NB: You can use smaller card blanks and for our USA crafters, you can adapt your project using your Winter Story HSN Collection, to fit the sizes you are working with.

STAP 2 VAN 12

Having decided whether to use the embossed or debossed side, randomly swipe the Walnut Stain and Iced Spruce ink pads, over your embossed tree circles.

STAP 3 VAN 12

Splatter or spray water on to your background, wait a few seconds then mop up the excess water/ink with a paper towel.

4

STAP 4 VAN 12

Randomly swipe the Fossilized Amber ink pad over your background. You can go back in and add more of the inks, splatter water etc, until you are happy with the effect achieved.

5

STAP 5 VAN 12

Take out this stunningly beautiful vellum sheet from the Winter Story Vellum Pack.

6

STAP 6 VAN 12

Tear down and around this beautiful, printed Poinsettia design. Place down the right side of the embossed background, tuck the excess vellum over the top and bottom and secure on the reverse with double-sided adhesive tape or a tape runner.

7

STAP 7 VAN 12

Adhere on to a piece of black card, slightly bigger than your embossed background, then adhere to the front of your 7 x 5" kraft card blank.

8

STAP 8 VAN 12

Use a circle die to cut this sentiment topper from the Winter Story Embellishment Pack. Fussy cut a selection of florals and pine cones, from the same pack.

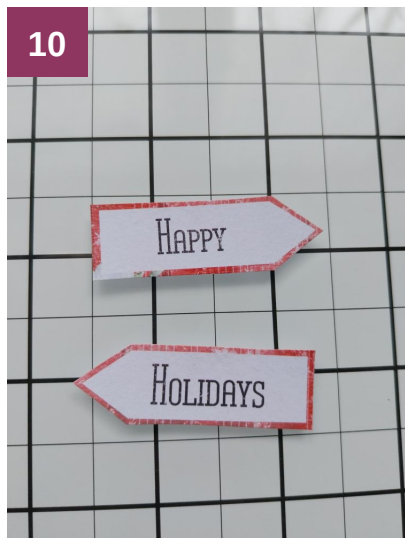

9

STAP 9 VAN 12

Adhere the sentiment and floral elements in the bottom right corner of your project, using a combination of wet glue and foam pads.
Tip: Tuck elements under, as well as on top of other elements, to create depth and dimension to your 3D display.

10

STAP 10 VAN 12

Cut these sentiment banners from the Embellishment pack, keeping a hint of the red paper as a border on your banners.

11

STAP 11 VAN 12

Adhere these on to your card, tucking them just under some of the 3D elements.

12

STAP 12 VAN 12

To complete your festive project, use your Stickles to add sparkle and glitter.
