STAP VOOR STAP

1

STAP 1 VAN 12

Remove this beautiful painted mount from the Magical Elegance pack.

2

STAP 2 VAN 12

Use the Honeycomb stencil and Lost Shadow Oxide to randomly add stencilled elements to the mount.

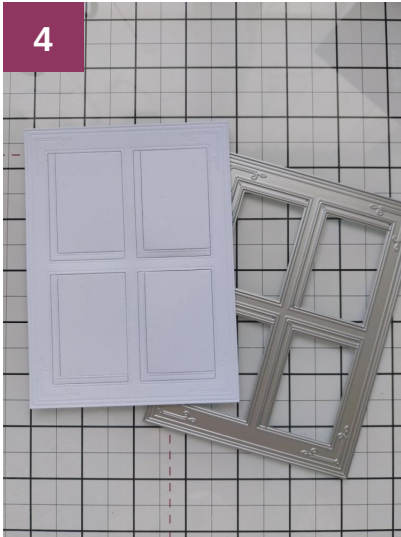

3

STAP 3 VAN 12

Apply the Oxide on to your glass mat, add a little water and splatter over your artwork, with a paint brush. Blast dry with your heat tool.

4

STAP 4 VAN 12

Die cut the Beautiful Window Die from white cardstock, keeping all pieces intact by applying double-side tape on the reverse.

5

STAP 5 VAN 12

Die cut the window again, but this time out of the painted mount, keeping all elements intact as before. Set the aperture frame painted mount to one side.

6

STAP 6 VAN 12

Adhere the painted mount die cut window on top of the white window, ensuring all edges are completely flush and neat.

7

STAP 7 VAN 12

Place your 3D window back inside the painted mount aperture, set aside earlier. You can secure the elements on the reverse allowing your "eclipse" window to stand proud.

Tip: If you want more dimension to your eclipse window, you can die cut several windows from white card, always ensuring that when adhered together, all edges must be flush and neat, enabling it to fit snugly back in to the aperture.

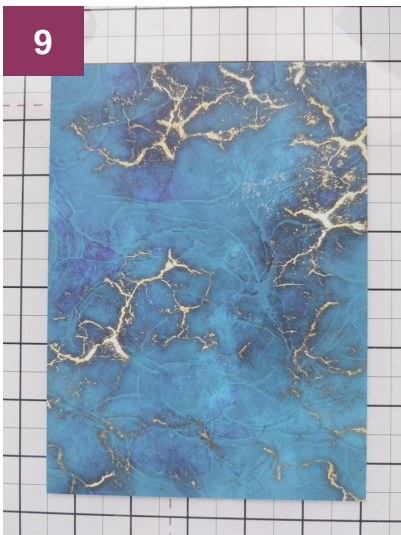

8

STAP 8 VAN 12

Stamp the sentiment to the left, below the window, in the Midnight ink.

9

STAP 9 VAN 12

Trim this beautiful paper from the Magical Elegance foundation pack, to 7 1/2 x 5 1/2".

10

STAP 10 VAN 12

Adhere your artwork on to the decorative paper.

11

STAP 11 VAN 12

Adhere this on to the front of your white card blank.

12

STAP 12 VAN 12

Use your Stickles to add a touch of sparkle and glitter to your artwork where required, to finish your project.
