STAP VOOR STAP

1

STAP 1 VAN 12

Trim a piece of white card to 8 x 5 1/2" and secure in your Eureka, placing a sheet of copy paper underneath the card.

2

STAP 2 VAN 12

Stamp this beautiful image in Midnight, in the centre of the card. Pop to one side.

3

STAP 3 VAN 12

Cut another piece of white card to 7 x 2 3/4". Ink up the stamp and stamp the central area of the design, incorporating the balcony element, on to the card panel. Set aside.

STAP 4 VAN 12

Cut another white card panel to 5 1/2 x 1 3/4". Place in the Eureka in **landscape view**, then stamp the horizontal balcony element of the design on to the card.

STAP 5 VAN 12

You should now have 3 stamped panels that look like this.

STAP 6 VAN 12

Use your alcohol pens to colour them in, each as identical as possible.

STAP 7 VAN 12

From the All Surfaces paper pack, cut 3 panels ... 7 3/4 x 5 1/4", 6 3/4 x 2 1/2" and 5 1/2 x 1 1/2".

STAP 8 VAN 12

Adhere each stamped panel on to their paper mats.

STAP 9 VAN 12

Line up the image and adhere the larger panel on to the full stamped design.

10

STAP 10 VAN 12

Tear a piece of vellum slightly longer than the smaller stamped panel.

Wipe over with an anti-static bag, ink up the sentiment stamp with the WOW embossing ink and stamp in the centre of the vellum. Cover with the white embossing powder, get your heat tool good and hot, then heat set the powder.

Place across the stamped panel and secure on the reverse.

11

STAP 11 VAN 12

Line up and adhere the panel on top of the other two, as shown here.

This is known as the "spotlight" technique.

12

STAP 12 VAN 12

Adhere to the front of your black card blank and voila!!!!
