STAP VOOR STAP

1

STAP 1 VAN 12

Spray the Izinks on to your glass mat, either one at a time or combined. Smoosh the 6 x 6" white card in to the inks. Allow to dry or blitz quickly with a heat tool.

2

STAP 2 VAN 12

Ink up the Time to Breathe image, with the Smokey Grey Versafine and stamp just to the right of your inky background.

3

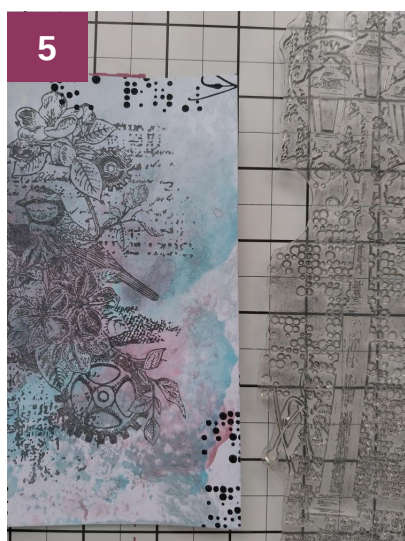

STAP 3 VAN 12

Ink up and stamp the lamp post, with the Midnight ink, to the left of the stamped artwork.

STAP 4 VAN 12

Use your HIMI oil pencil to add colour to the "lights".

STAP 5 VAN 12

Randomly stamp the textured areas of the image, in Midnight, around your artwork.

STAP 6 VAN 12

Trim this decorative paper, from the Magical Elegance paper pack, to 6 1/2" square.

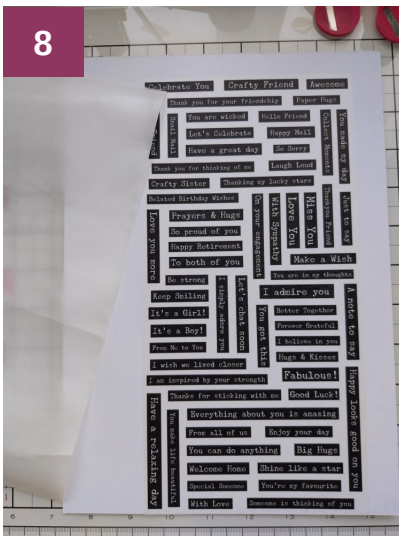

7

STAP 7 VAN 12

Mat your artwork on to the decorative paper and then on to your teal card blank. Pop to one side.

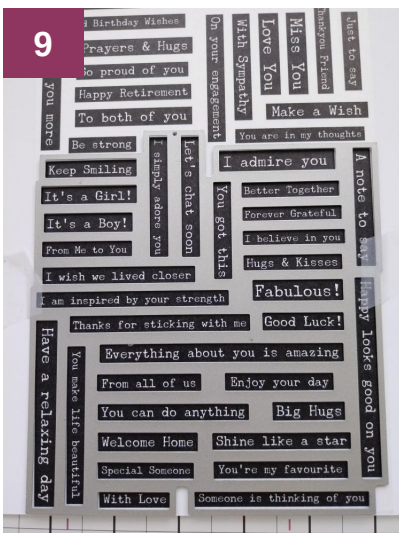

8

STAP 8 VAN 12

Using the dies as a guide, cut ONE drop from the typewriter washi roll. Lift up the backing sheet along one end of the tape and adhere across the top of an A4 sheet of white card. Slowly peel away the backing, as you use your hand to smooth the washi tape down on to the card. Once the backing has been fully removed, you can burnish the washi to ensure there are no air bubbles or creases.

9

STAP 9 VAN 12

Line up the first die and run it through your machine.

10

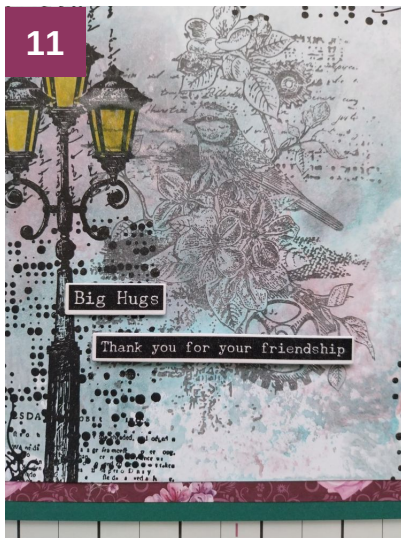

STAP 10 VAN 12

Line up the second die and run it through your machine.

Pop out all the sentiments, pick out the one you are using for this project and keep the rest in a tub for future projects.

11

STAP 11 VAN 12

Adhere your sentiments, with foam pads, to the right of the lamp post.

12

STAP 12 VAN 12

Adhere the chunky media glitter on the lights and add a little of the yellow sparkle ink to the glitter, to finish your project.
