STAP VOOR STAP

1

STAP 1 VAN 11

Trim this beautiful paper, from the Happy Haunting pack, to 7 x 4 3/4".

Ink up the Romance collage stamp with the Midnight hybrid ink and stamp just off the bottom, left edge of the decorative paper.

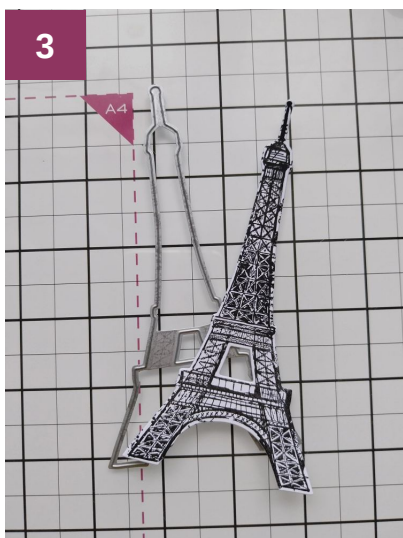

2

STAP 2 VAN 11

Re-ink and stamp again, on to a piece of white card.

3

STAP 3 VAN 11

Die cut the tower, using the coordinating die.

STAP 4 VAN 11

Using your die cut element as a positional guide, secure your circle "mask" in place so it will sit behind the top of the tower, as shown here.

STAP 5 VAN 11

Use your blending brush to apply the Cotton ink, so it's coming out and fading away, from the "mask".

STAP 6 VAN 11

Use a paint brush to splatter the Pearlywinks Pearl Mist over your artwork.

NB: The Cotton pigment ink is slow drying and **WILL** smudge, so give it a blast with your heat tool to speed up the drying time!

7

STAP 7 VAN 11

Use foam pads to adhere your die cut tower in place, trimming off any overhang you may have.

8

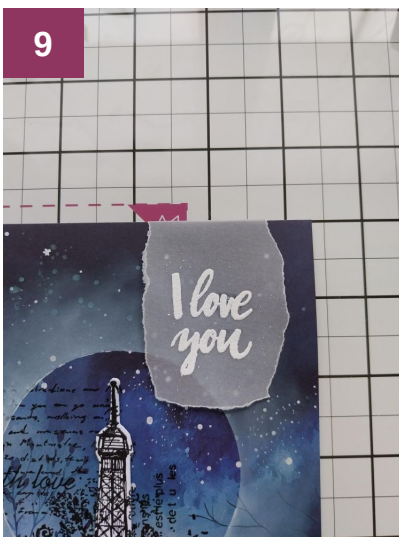

STAP 8 VAN 11

Tear a piece of vellum, big enough for the sentiment to fit on to and leaving excess vellum above.

Wipe over the vellum with your anti-static bag before stamping the sentiment with the sticky embossing ink. Apply the white embossing powder over the sticky ink and heat set. Make sure your heat tool is hot **BEFORE** you take it to the powder, as this will help minimise any warping.

9

STAP 9 VAN 11

Lay the embossed vellum on the top right of your artwork, fold the excess vellum over the top of the card and adhere on the reverse with double-sided adhesive tape.

10

STAP 10 VAN 11

Mat your artwork on to black card, trimmed to 7 1/4 x 5" and then affix to your pink card blank.

11

STAP 11 VAN 11

To finish, use the Stickles to add a touch of sparkle to your artwork, in particular around the edge of your Moon.
