## STAP VOOR STAP

1

### STAP 1 VAN 12

**Pick four of the beautiful toppers from the kit.** You can of course make more to go in your gift set but for the purposes of this guide I have gone with four.

2

## STAP 2 VAN 12

Pick 4 of the coordinating backing papers.

3

## STAP 3 VAN 12

Die cut the Bow elements from the Enchanted Bow bundle, in your chosen papers, coordinating them with one of your chosen toppers. Pop to one side.

4

## STAP 4 VAN 12

Die cut the embellishment elements in your chosen papers (from your festive collections), again coordinating with another topper. Set aside.

## STAP 5 VAN 12

**Die cut FOUR of the sentiment banners**, using the die provided in the kit. Pop to one side.

## STAP 6 VAN 12

**Remove this paper and trim TWO panels from the sides of the paper**...these will be used later, to create your belly band to hold your finished notelets.

## STAP 7 VAN 12

**Now it's time to create your first notelet** and for this one I incorporated the glitter (included in your kit) and ink blending with the Frayed Burlap, around the edges of my paper and topper, which were then adhered to one of the card blanks included within your kit.

8

## STAP 8 VAN 12

**For my second notelet, I did some more ink blending, added glitter and I created a display with my die cut 3D floral and foliage embellishments.**

9

## STAP 9 VAN 12

**On my third notelet I used the 3D Enchanted bow, an adhesive gem in the centre and obviously more festive glitter!**

10

## STAP 10 VAN 12

**For my fourth notelet I incorporated torn vellum across the bottom half on which I adhered the sentiment banner. A touch of ink and sparkle and voila!! All four notelets completed.**

11

## STAP 11 VAN 12

**Place all FOUR notelets and their envelopes** in a pile. Taking the printed panels you trimmed off a paper earlier, wrap the first one around the notelets set, using the second panel as an extender which you need to adhere and trim as necessary, to create your belly band. Ensure you can slide the belly band on and off the gift set BEFORE you glue the extender panel in place!! I used red liner tape to adhere the extender panel in place so it wouldn't come undone when in use.

12

## STAP 12 VAN 12

**Die cut a selection of floral and foliage elements**, from the papers in your festive collections and use these to decorate the belly band.
