STAP VOOR STAP

1

STAP 1 VAN 11

Choose two papers from your Evergreen paper pad. Trim one to 6 1/4" square and the other 4 3/4" square.

**STAP 2 VAN 11**

Cut two pieces of kraft card 6 1/2" square and 5" square and adhere the papers in place.

**STAP 3 VAN 11**

Adhere the smaller panel in the centre of the larger one.

**STAP 4 VAN 11**

Using your layered toppers as a guide, cut a piece of white card the same width as the inner panel. It can be as deep as you choose. Cut a mat from kraft card so it's the same width and slightly deeper. Set the layered toppers and kraft mat to one side.

**STAP 5 VAN 11**

Cut multi-panels of the Evergreen paper, in various widths and slanted at different angles but ALL must be longer than the depth of the white card cut in the previous step. This is a good way of using up any left-over scraps of paper you may have!!

**STAP 6 VAN 11**

Randomly adhere the cut strips onto the white card, allowing them to overhang top and bottom. You can overlap the strips as and where you want.

**STAP 7 VAN 11**

Turn over and trim off the overhanging papers.

8

STAP 8 VAN 11

Mat onto the kraft card you cut in the earlier step.

9

STAP 9 VAN 11

Using the paper panel as a positional guide, stamp your sentiment in Midnight, so it will sit below the panel, when secured in place.

10

STAP 10 VAN 11

Secure your panel in place across the top third of the centre panel, above your stamped sentiment, as seen here.

11

STAP 11 VAN 11

Finally, adhere to the front of your card blank.
