STAP VOOR STAP

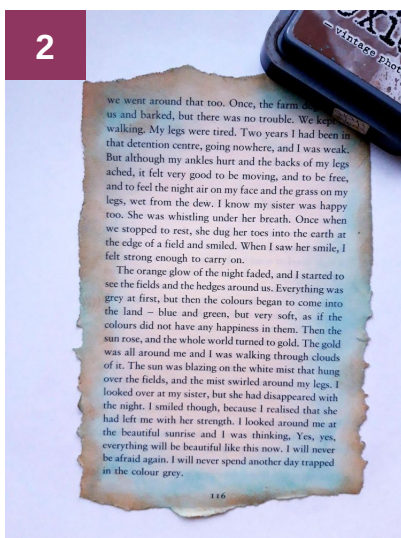

1

STAP 1 VAN 12

Blend the Salvaged Patina Oxide around the edges of your torn book page, with your blending brush, fading the colour out towards the centre.

2

STAP 2 VAN 12

Blend the Vintage Photo Oxide around the edges.

3

STAP 3 VAN 12

Ink up the stamp, from the Imala Tree Of Life, with the Onyx Black Versafine.

Stamp just off the right hand side of your background.

STAP 4 VAN 12

Apply the Salvaged Patina and Vintage Photo Oxides on to a craft or glass mat.

Spritz with a little water and use a paint brush to paint your stamped image.

Paint around the edges of your stamped artwork with the Salvaged Patina, to create depth and shadow.

STAP 5 VAN 12

Once the ink is completely dry, add highlights with your white gel pen.
Set this to one side.

STAP 6 VAN 12

Lay the die from the Log Slices Die Collection, on to one side of the A4 white cardstock.

Run through your die cutting machine, setting the leftover white card to one side for now.

7

STAP 7 VAN 12

Lightly blend the Salvaged Patina Oxide over the embossed areas of the die cut log slices.

8

STAP 8 VAN 12

Adhere your log slices to the top left side, of your top folding card blank.

9

STAP 9 VAN 12

Adhere your stamped torn page on to the right hand side of your card blank.
Set to one side.

10

STAP 10 VAN 12

Ink up your chosen word stamps, from the More Than Words Creative Stamps, with the Onyx Black Versafine. Stamp on to the white card you set aside earlier. Cut the words in to strips.

11

STAP 11 VAN 12

Glue the word strips on to the black card, and cut around them, to create a black mat for each.

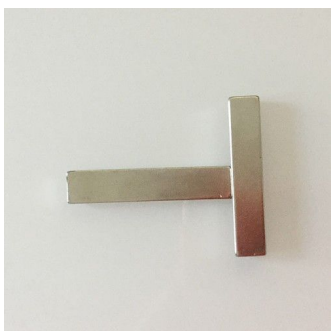

12

STAP 12 VAN 12

Glue your word strips on to your artwork, to finish.
