STAP VOOR STAP

1

STAP 1 VAN 9

Cut a piece of the decorative paper slightly smaller than your gift bag (or card blank).

Ink around the edges with your Surfboard ink before adhering in place.

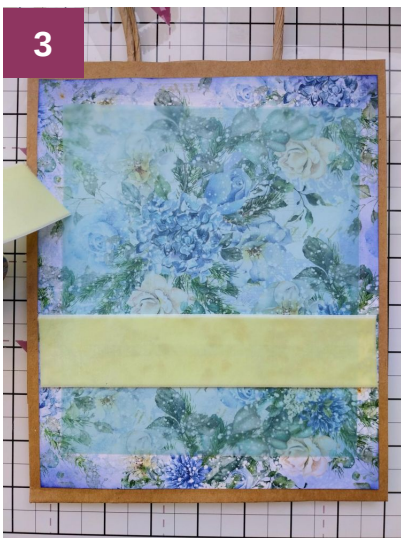

2

STAP 2 VAN 9

Trim vellum to the size you want the panel to be.

3

STAP 3 VAN 9

Secure your ribbon across the lower half of the vellum with red liner tape and then adhere to the bag using a tape runner (which is less visible through vellum).

4

STAP 4 VAN 9

Tear a panel incorporating this gorgeous wreath design.

5

STAP 5 VAN 9

Adhere to the centre of the bag.

6

STAP 6 VAN 9

Cut out one of the tags from the embellishment pack, blend Surfboard around the edges then thread twine through a punched hole. Add a sentiment of your choice, whether it be stamped or sticker tabs.

7

STAP 7 VAN 9

Secure tag in top left corner.

8

STAP 8 VAN 9

Fussy cut a butterfly from the embellishment pack. Secure on your bag and use a black pen to add "feelers" and define it's body.

9

STAP 9 VAN 9

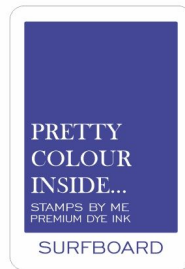

Finally, use the Stickles to add glitter and sparkle to your finished bag.
