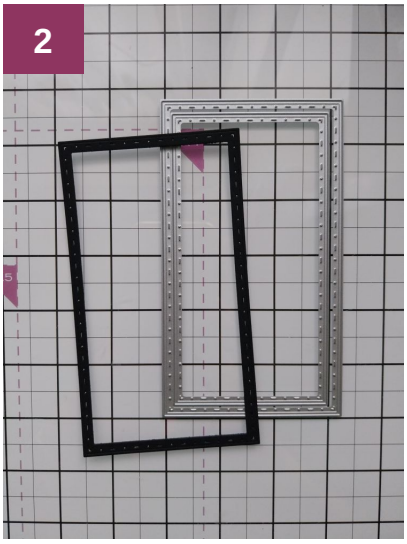
STAP VOOR STAP

STAP 1 VAN 5

Cut a piece of white card 4 3/4 x 6 3/4".
Create a "smooshed" background with watered-down grey paint, then splatter with ink, until you are happy with the result.



STAP 2 VAN 5

Using the 2 biggest nesting dies, cut a frame from black cardstock.

STAP 3 VAN 5

Cut a selection of pots, foliage and hanging baskets, from white/black cardstock.
Use your paints to colour the elements as required. You can also use coloured pens, pencils, alcohol pens...whatever your preferred medium. Another option is to die-cut the pot from decorative paper and adhere to the plain die-cut one.
Assemble all your elements to create your own, unique hanging basket.

STAP 4 VAN 5

Using your hanging basket and die-cut frame as a positional guide, decide where you want your sentiment to be positioned and stamp in the Midnight ink. I chose my sentiment from the Whispering leaves set.

STAP 5 VAN 5

Adhere your frame onto your inky background, adhere the hanging basket where required, with foam pads and then mat to your card blank, to finish.
