STAP VOOR STAP

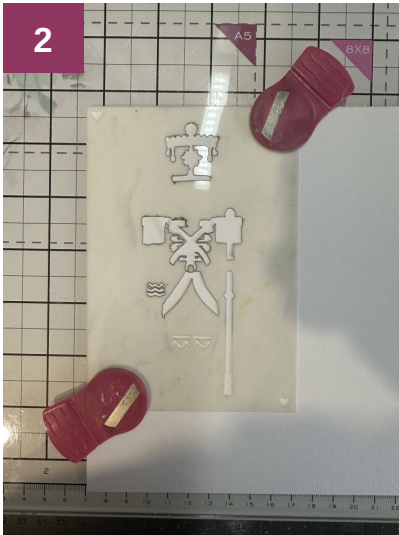

1

STAP 1 VAN 11

Pick a page from the Holly & Berry (or alternative) Paper Mounts set and trim off a quarter of an inch from each side. Blend a little Black Soot around the edge of the card.

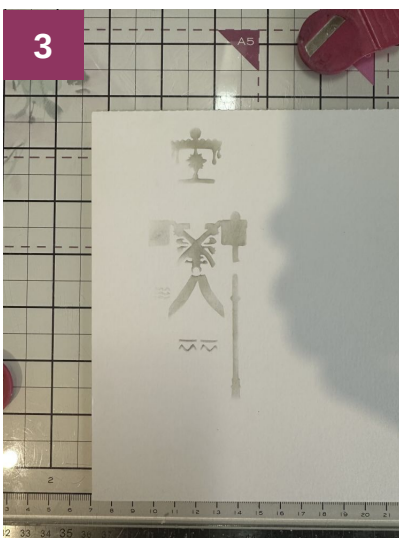

2

STAP 2 VAN 11

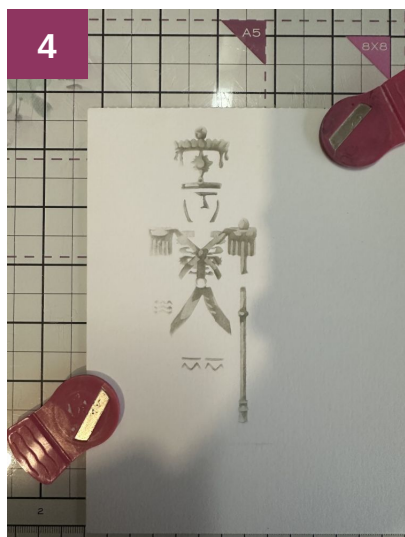

Work your way through the numbered stencils in order, lining each one to the top right hand corner of your mixed media cardstock.

3

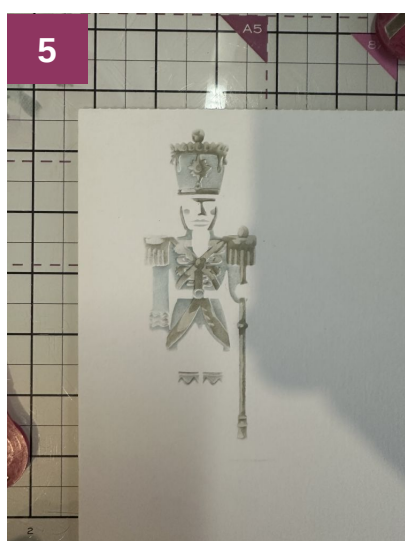

STAP 3 VAN 11

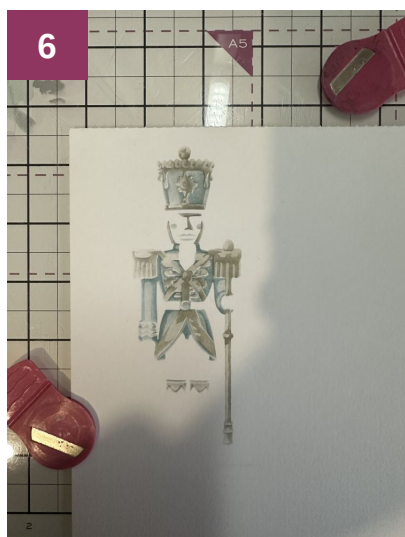

Start with a light blend of Hickory Smoke through stencil 1.

**STAP 4 VAN 11**

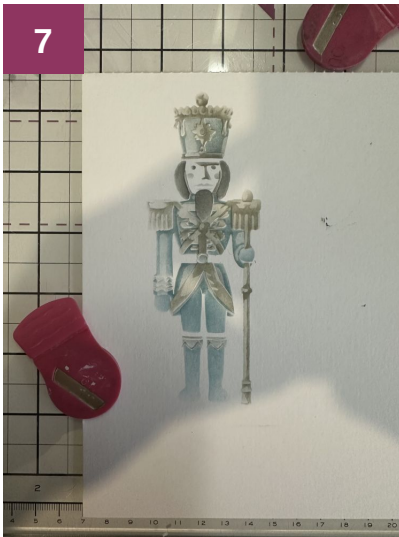

Continue with a further layer of Hickory Smoke through stencil 2.

**STAP 5 VAN 11**

Swap out to your Ocean ink pad on stencil 3.

**STAP 6 VAN 11**

Continue with Ocean ink pad on stencil 4.

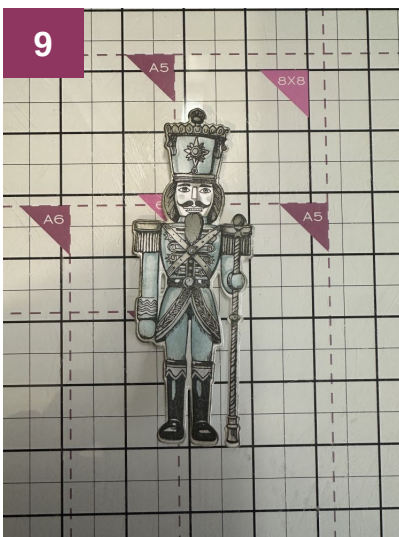

STAP 7 VAN 11

On the final stencil I've used Ocean everywhere except the face when I have used Black Soot instead.

STAP 8 VAN 11

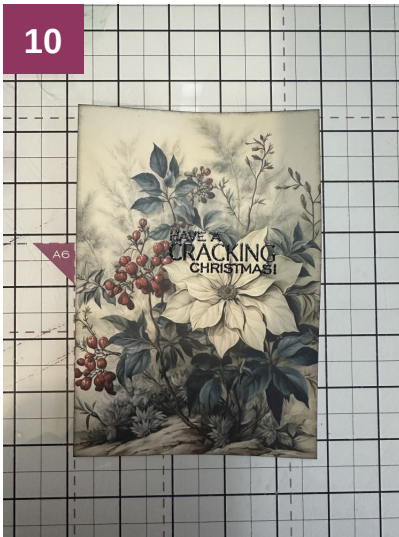

Line up and stamp your general using your Midnight ink pad.

STAP 9 VAN 11

Die cut your general and then blend a little Black Soot around the edges, to tone down the white space.

10

STAP 10 VAN 11

Play around with your composition and once happy stamp your sentiment using your Midnight ink pad and heat emboss with black embossing powder

11

STAP 11 VAN 11

Construct your card using your black matt and layer piece and securing the general with foam pads.
