STAP VOOR STAP

STAP 1 VAN 11

Cut a piece of white card same size as the floral stencils and secure stencil 1 in place.

STAP 2 VAN 11

Blend your chosen coloured inks through stencil 1. Remove and line up each of the numbered stencils in order and blend with your inks, as required.

STAP 3 VAN 11

Use the coordinating dies to cut them out.

STAP 4 VAN 11

Cut another piece of white card same size as the vase stencils, then secure stencil 1 in place.

STAP 5 VAN 11

Blend your chosen inks through stencil 1 (you might as well do both vases, even though we are only using one for this card). Line up each stencil in number order and blend with your inks. I chose to use ONE ink pad for each vase, building up the intensity of the colour as I moved through each layer.

STAP 6 VAN 11

Die cut your vases and pop the taller one away for another project. Set aside the smaller vase.

STAP 7 VAN 11

Use the smaller vase die to cut TWO panels, from white card. Score across the top of **ONE** and apply red liner tape above the score line.

8

STAP 8 VAN 11

Line up and adhere the TWO panels together to create your vase-shaped card blank.

9

STAP 9 VAN 11

Position your chosen die-cut flowers through the die cut "slit", in the top of the inked vase die-cut. I secured the flowers in place with tape, on the reverse of the vase.

10

STAP 10 VAN 11

Adhere your inked vase and flowers onto your shaped card blank.

11

STAP 11 VAN 11

Place the embossed sentiment die onto a scrap of white card and run through your machine.

Adhere to the bottom right with a foam pad, to complete your project.
