STAP VOOR STAP

1

STAP 1 VAN 6

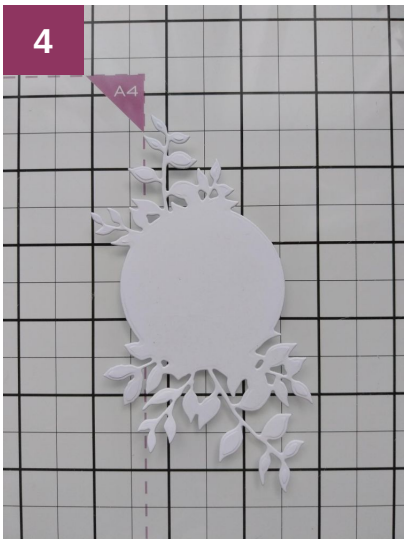
Die cut the double-sided Hellebore flowers and leaves and adhere together using wet glue/glue gel, as preferred. You can add as many petals as you want, to make the 3D flower as small or as big as required.

STAP 2 VAN 6

Trim a decorative sheet from the Tailored Threads paper pad, to 3 3/4 x 8". Adhere to front of your DL card blank.

STAP 3 VAN 6

Die-cut the window from a coordinating sheet in the Foundation pad. Adhere to your card, positioning it near the top, leaving space below the window for your flower. Keep the left over paper for a coordinating sentiment "mat".



STAP 4 VAN 6

Die-cut a foliage banner from white cardstock.

STAP 5 VAN 6

Adhere the foliage banner to the bottom left of the window, then adhere your 3D Hellebore and leaves, in place, using wet glue, foam pads or 3D glue gel.

STAP 6 VAN 6

Using the Amazing You dies from the Saying Hello set, stamp the sentiment onto white card, using your Midnight ink. Die-cut with detailed die then adhere this to a die-cut mat from the left over coordinating scrap of paper used earlier, in the Tailored Threads set.
