STAP VOOR STAP

STAP 1 VAN 14

Apply masking tape flush, along the top and right hand edges, of the white card. This will create a panel for you to work within.
Place your circle mask just to the top left, of your masked off panel.

STAP 2 VAN 14

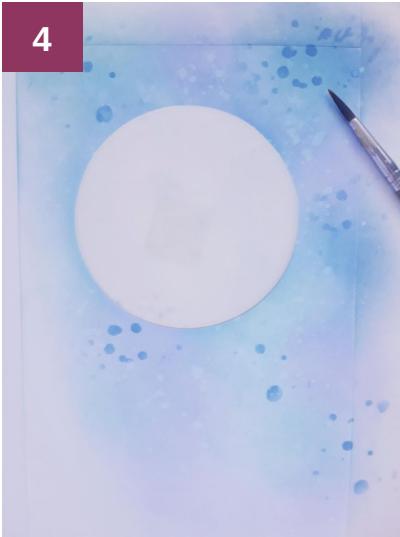

Blend the Salvaged Patina and Shaded Lilac Distress Oxides within your panel, blending out the colour towards the base of the card.

STAP 3 VAN 14

Place the Distressed Woodgrain stencil over the inked panel, and randomly blend areas with the Faded Jeans Oxide.

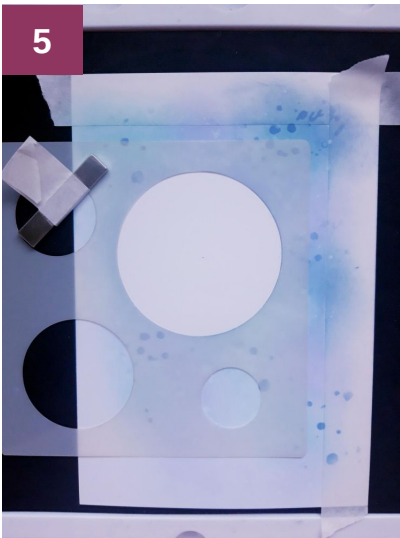

4

STAP 4 VAN 14

Splatter droplets of water over the inked panel, leave a few seconds and lift up the ink with a paper towel.
Dry your background off thoroughly.

5

STAP 5 VAN 14

Remove the circle mask from your background, and replace with a circle stencil, so the inner area of the circle can now be worked on.

6

STAP 6 VAN 14

Blend the Salvaged Patina and Shaded Lilac Oxides within the circle, but keeping the colours more muted.
Splatter water droplets on to the ink, leave a few seconds and lift off the ink with a paper towel.
Remove the stencil and dry your artwork.

7

STAP 7 VAN 14

Carefully remove the masking tape to reveal your inked panel.

8

STAP 8 VAN 14

Ink up the solid stamp, from the Go With The Flow Lamination Stamp Collection, with the Peacock Feathers and Villainous Potion Distress Oxides.

Spritz with water and stamp on to your background, so the head is within the inked circle.

9

STAP 9 VAN 14

Ink up the coordinating detailed stamp, with the Onyx Black Versafine and stamp over the solid image. If you are unsure how to line it up, the packaging will help.

10

STAP 10 VAN 14

Ink up the bubbles stamp from the Imala Cheers stamp set, with the Versafine, and stamp them rising up from the Seahorse's mouth. You can take the bubbles up to the edge of the inked panel, or the edge of the white card.

11

STAP 11 VAN 14

Ink up the solid fish stamp, from the same set, with the Salvaged Patina and Faded Jeans Oxides. Spritz with water and stamp just coming on to the bottom, left edge of your background.

12

STAP 12 VAN 14

Ink up the coordinating detailed stamp with the Versafine, and stamp over your solid image.

STAP 13 VAN 14

Ink up the sentiment from the same set, with the Versafine, and stamp to the right of your Seahorse.

STAP 14 VAN 14

Adhere your artwork on to the front of your black, top folding card blank.

To finish, use a white gel pen to add accents and highlights to your artwork.
