STAP VOOR STAP

1

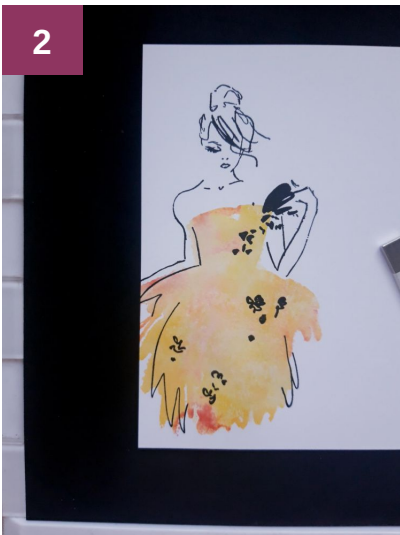

STAP 1 VAN 15

Ink up the solid stamp from Small Town Girl Lamination Collection, with the Izink Aurore and Cire ink pads.

Spritz the stamp with water, and stamp just off the bottom, left hand edge of the white card. You can reink and stamp again, to add more depth of colour, as required.

Dry thoroughly.

2

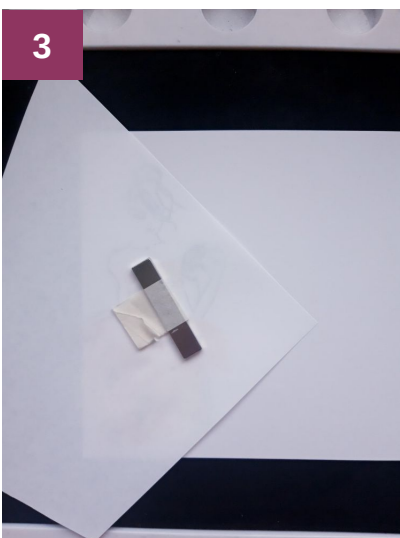

STAP 2 VAN 15

Ink up the coordinating, detailed stamp, with the Onyx Black Versafine.

Stamp in place over your solid stamped image. If you are unsure how to line it up, the images on the packaging will help.

Dry thoroughly, before proceeding to the next step.

3

STAP 3 VAN 15

Place your artwork to the right hand side of your Eureka 101.

Position a piece of copier paper just over your stamped image, at an angle as shown here, and secure in place with your magnet.

4

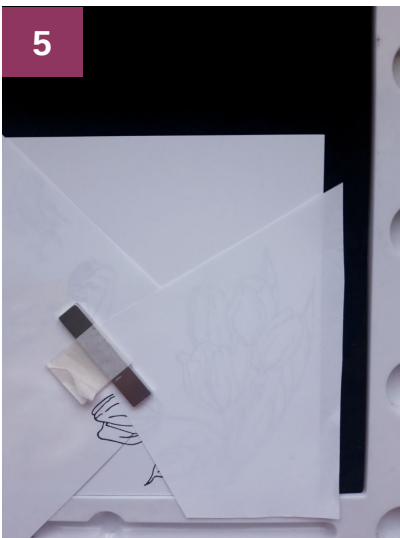

STAP 4 VAN 15

Ink up the floral stamp from Adventure Begins Stamp Collection, with the Versafine.

Stamp bottom right of your card, allowing some of the design to overlap on to the copier paper.

Allow ink to dry, keeping the copier paper in position.

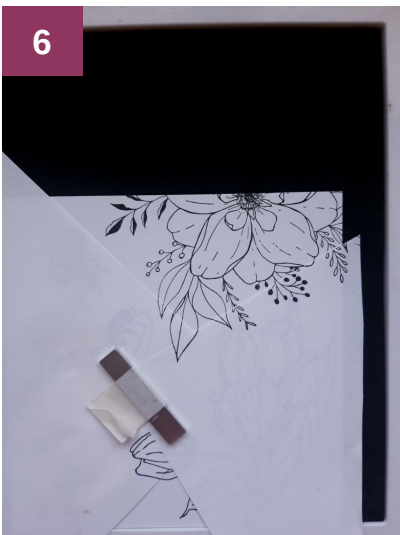

5

STAP 5 VAN 15

Place another piece of copier paper just over the stamped floral image, and secure with magnet. This will leave a panel visible, at the top of your card.

6

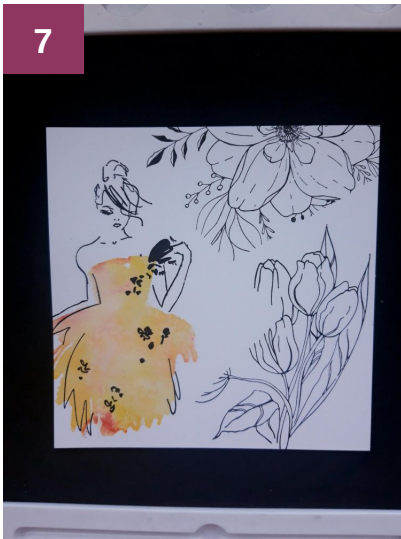

STAP 6 VAN 15

Ink up the stamp from the Beautiful Soul Stamp Collection, with the Versafine.

Stamp within the top panel, again allowing some of the image to overlap on to the copier paper.

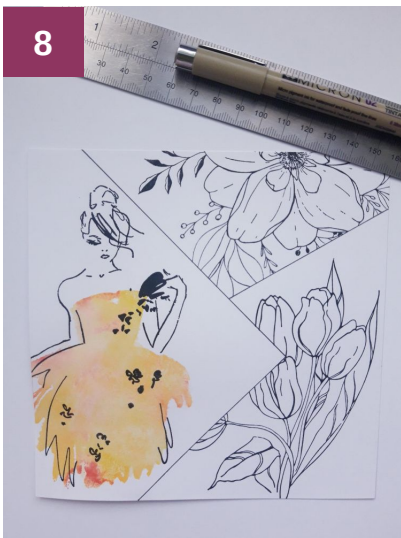

7

STAP 7 VAN 15

Remove the copier paper, to reveal this stamped design.
Dry thoroughly.

8

STAP 8 VAN 15

You can clearly see where the edges of the copier paper had been placed.

Taking a ruler and a black pen, you need to draw in lines where the edges of the paper were. These will connect your masked off images. The result will be 3 panels, each with a masked off image within, as shown here.

Tip: If you are unsure where to draw your lines, pop your copier paper back in place, making little marks with a pencil, along each edge, and then use your black pen to connect these. Once you have done this technique once, you will find it much easier to draw the lines in. Ensure the pen ink is dry before proceeding to the next step.

9

STAP 9 VAN 15

Apply your Izink dye ink pads on to a craft or glass mat, spritz with water and paint your stamped images, as required.
Allow ink to dry.

10

STAP 10 VAN 15

Ink up the sentiment stamp from Small Town Girl Lamination Collection, with the Versafine, and stamp where required, on your artwork.

Set to one side.

11

STAP 11 VAN 15

Tear out this decorative paper, from the Thirsty Brush Northern Lights paper pad, and trim to 6 1/2 x 6 1/2".

12

STAP 12 VAN 15

Adhere your stamped artwork on to the decorative paper.

13

STAP 13 VAN 15

Adhere this on to the front of your white card blank.

14

STAP 14 VAN 15

Add sequins to your artwork, where required.

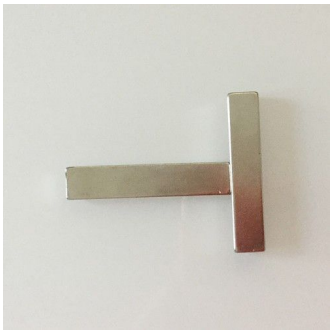

15

STAP 15 VAN 15

To finish, use a white gel pen to add accents, and highlights, to your artwork.
