HET EINDRESULTAAT

OVER DIT PROJECT

Create an elegant square card featuring beautiful blossom embossing on textured cardstock. The embossed floral design creates a stunning frame effect on black card, which can be enhanced with sparkly gilding wax or embossing powder for added dimension. This sophisticated technique combines embossing folders with decorative finishes to produce a card perfect for any special occasion.

- You don't need to add much else to this design—the embossed detail is the star.
- Holographic or mirror cardstock really showcases the gorgeous embossed detail.
