EEN PROJECT UIT ONZE LIVESHOW - CREATE TOGETHER CLUB - 2 MEI 2023

HET EINDRESULTAAT

OVER DIT PROJECT

Create a stunning layered watercolour card featuring vibrant floral designs in coral, pink, orange and yellow tones. This elegant 'Home Sweet Home' greeting card combines watercolour painting, embossing and stamping techniques to build up beautiful dimensional layers. The finished piece showcases painted roses and foliage arranged around a sentiment banner, all framed within a distressed border on a crisp white card base.

TIPS UIT DE SHOW

• Matting your painted card onto white creates the illusion that you have taped off the edges before painting, even though you haven't.
• Use wonky lines rather than perfectly straight ones to maintain the handmade, creative feel of the design.
