STAP VOOR STAP

STAP 1 VAN 14

Wet your galaxy-patterned card base with water using a spray bottle. Ensure the surface is evenly dampened before proceeding.

STAP 2 VAN 14

Tilt the card at an angle and use a paintbrush to spot ink onto the surface, allowing it to drip down naturally. Continue adding ink spots across the card to create an organic, flowing effect.

STAP 3 VAN 14

Apply pink ink (Fandango) to the card, then let it dry. Wet the surface with water, then apply Ocean blue ink and let it drip dry.

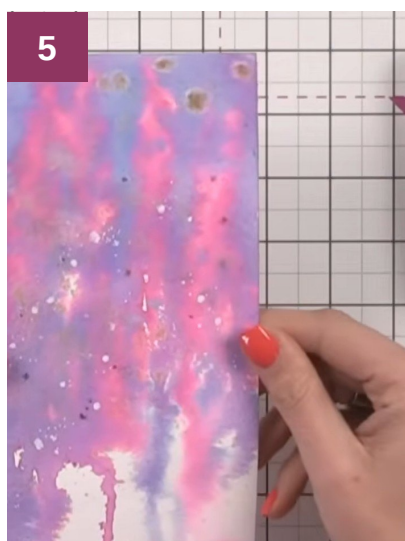

[BEKIJK DEZE STAP - 28:50](#)

STAP 4 VAN 14

Spray the card with water again. Apply ocean blue ink and splatter it across the surface. Allow to dry completely.

STAP 5 VAN 14

Whilst the background is still damp, splatter white ink across the card to create texture and interest.

BEKIJK DEZE STAP - 29:15

STAP 6 VAN 14

Add white splatter details across the watercolour background using white paint or ink. Then add black splatter accents over the top for contrast and depth.

STAP 7 VAN 14

Allow the stamped and coloured floral image to dry completely before proceeding to the next step.

[BEKIJK DEZE STAP - 29:30](#)

STAP 8 VAN 14

Stamp the large lily image onto white watercolour card using the stamp set. Position the stamp carefully to create your floral arrangement.

[BEKIJK DEZE STAP - 31:00](#)

STAP 9 VAN 14

Ink up the solid leaf stamps with fandango ink. Stamp a trail of leaves behind the main lily image to create depth and visual interest.

[BEKIJK DEZE STAP - 37:45](#)

10

STAP 10 VAN 14

Stamp additional leaves in a second colour, varying the direction to create a layered effect around the floral arrangement.

[BEKIJK DEZE STAP - 38:30](#)

11

STAP 11 VAN 14

Take your ink pad and run it along all four edges of the floral topper to create a defined border. This gives the appearance of a matted layer without adding extra card.

[BEKIJK DEZE STAP - 40:00](#)

12

STAP 12 VAN 14

Mount the stamped lily floral arrangement onto the inky splatter background card. Position it at an angle towards the top of the card, raising the edges slightly with foam pads to add dimension.

[BEKIJK DEZE STAP - 40:30](#)

13

STAP 13 VAN 14

Add white gel pen highlights to the leaf details to bring them forward and create dimension.

[BEKIJK DEZE STAP - 41:00](#)

14

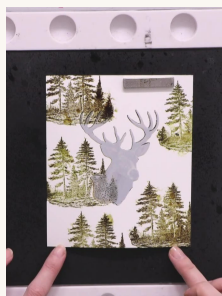

STAP 14 VAN 14

Stamp the sentiment 'You had me at high' onto the white card base using the coordinating stamp set. Position the sentiment towards the bottom of the card to complete your design.

TIPS UIT DE SHOW

- Watercolour card works well for this technique, but any card will do.
- Adding solid leaf stamps behind the main image helps to bulk out and frame the focal point.
- You can edge your image with the ink pad edge to create a subtle matted effect without using a separate matte layer.
