Sadie-kaart met sjabloon en heat embossed jurk

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT SHOW 15TH ARPIL - 15 APRIL 2023

HET EINDRESULTAAT

OVER DIT PROJECT

Create a beautiful card featuring an elegant lady in a flowing dress, embellished with heat embossing for added sparkle and dimension. The design combines delicate stencilled floral elements with turquoise and pink watercolour washes, creating a soft, romantic aesthetic. This project uses stencilling and heat embossing techniques to achieve a stunning layered effect.

TIPS UIT DE SHOW

- The gown does not have to be 3D; you can stamp it flat directly onto the card.
- Heat embossing creates a sparkly, professional finish that adds dimension to the design.
