EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT SHOW 15TH APRIL - 15 APRIL 2023

OVER DIT PROJECT

Create beautiful dimensional flower embellishments using the Wow Blooms stamp and die system. Layer five coordinating floral stamps with heart registration marks, then cut all layers together with the plate die to produce perfectly aligned, vibrant pink and green blooms. These stunning layered flowers add gorgeous texture and colour to cards and papercraft projects.

TIPS UIT DE SHOW

- Line up the hearts on each stamp layer to ensure perfect registration without guesswork.
- You can batch-make multiple flowers by stamping all layer ones on different card pieces, then all layer twos, and so on.
- The plate die cuts all layers in one pass, so there's no need to fuss with individual dies for each element.
