EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT SHOW 14TH ARPIL - 14 APRIL 2023

HET EINDRESULTAAT

OVER DIT PROJECT

Create an elegant shaped card featuring a floral wreath frame with dimensional embossing. The design showcases a decorative bow at the top and 'WONDERFUL' sentiment in the centre, surrounded by delicate coral roses and blue leaves on a white background. This project combines die-cutting techniques with embossing to produce a sophisticated greeting card with beautiful depth and texture.

TIPS UIT DE SHOW

- For a shaped card, cut two pieces using the exterior die and score one down the centre before gluing together.
- The embossing folder adds beautiful dimension to the card back without requiring colouring.
