EEN PROJECT UIT ONZE LIVESHOW - THE THURSDAY DROP - 16 APRIL 2026

OVER DIT PROJECT

Create a charming theatrical card featuring an adorable ice cream character taking centre stage. This dimensional design uses draped red curtains as a backdrop to create a spotlight effect, with the cute character positioned in front for maximum impact. The project combines stamping, watercolouring, and layering techniques to achieve a fun, show-stopping card perfect for celebrations.

TIPS UIT DE SHOW

- You can use the paper as a single flat layer without dimension if preferred, as the paper already has lovely depth built in.
- If you don't like wasting paper, you can get three cards from one sheet by cutting it strategically.
- The shaped dies go around the main characters, so you don't need to fill the entire card with images.
