

Aquarel-bloemenkaart met laagjesstempels

EEN PROJECT UIT ONZE LIVESHOW - HSN CRAFT SHOW - 28 MAART 2023

OVER DIT PROJECT

Create a stunning watercolour-effect floral card featuring delicate blooms in soft pinks, greens and yellows. This project uses the innovative two-part lamination stamp technique to achieve a professional artist-quality finish. Apply colour to the solid stamp, spray with water, stamp down, then layer with the outline stamp for beautiful depth and dimension.

TIPS UIT DE SHOW

- Do not worry about perfect alignment; the stamps are designed to work with relaxed, imperfect placement.
- You can add extra details with a brush or pen if desired, but it is not necessary.
- Overspray will not ruin the result; the blending creates the watercolour effect naturally.
