STAP 3 VAN 6

Use the coordinating outline die to cut around your stamped design. This eliminates the need for fussy cutting and creates a precise edge around the floral motif.

STAP 4 VAN 6

Layer the stamped and die-cut elements onto your card base. Use the 'with love' sentiment strip, the floral panel with navy and pink patterns, and the 'Woohoo!' and 'because' overlays. Add dimension with adhesive foam pads and finish with a navy ribbon bow at the top.

STAP 5 VAN 6

Add the lace border pattern stamp as a repeating design to create additional layers on your card. Layer the stamped elements with the floral patterned papers and die-cut embellishments to build dimension.

STAP 6 VAN 6

Add a vellum overlay from the Midnight Blooms collection to the front of your card. Position it over your layered design to add luxury and texture to the finished piece.

• You can swap out the detail with WOW powder, grayscale ink, black ink or coloured ink for different effects.
• The outline dies mean you don't have to fussy cut around fine details.
• Navy and gray colours work with any other colour, making this collection versatile for layering with your existing stash.
