HET EINDRESULTAAT

OVER DIT PROJECT

Create a stunning dimensional card featuring a hot air balloon adorned with beautiful florals. Using stamps, stencils and HD 3D embossing, you'll craft realistic clouds that appear to lift from the page. The design showcases soft pastel colours with options for pink, blue and turquoise backgrounds, finished with decorative borders and uplifting sentiments.

TIPS UIT DE SHOW

- The stencil fits beautifully on top of the embossing folder to guide your colour placement.
- You don't have to colour the design; stamping in black ink alone creates a beautiful, detailed result.
- The HD 3D embossing creates layers and depth in the lines and detail, making clouds appear three-dimensional.
