

Feestelijke irisskaart met laminatiestempels

EEN PROJECT UIT ONZE LIVESHOW - HSN SHOW MARCH 28TH - 23 MAART 2023

OVER DIT PROJECT

Make an elegant celebration card featuring a colourful iris flower with a wine bottle and glass design. The two-part lamination stamp technique creates a beautiful loose watercolour effect in purples, pinks and greens, requiring no painting skills. Finish with crisp black embossed outlines for a sophisticated, artistic look.

STAP VOOR STAP

STAP 1 VAN 6

Stamp the solid colour portion of the iris from the lamination stamp set onto your card base using your chosen ink colour.

STAP 2 VAN 6

Add colour to the solid stamped iris area using your chosen medium such as spray water or watercolour. Apply the colour carefully to build up the desired depth and intensity on the flower petals and leaves.

STAP 3 VAN 6

Allow the ink colours to blend naturally on the lamination film, creating a loose, artistic watercolour effect across the stamped iris design. Let the colours merge together organically without overworking them.

STAP 4 VAN 6

Select a sentiment from the stamp collection and stamp it onto your card. The kit includes various sentiments such as 'Happy Birthday', 'Love You Friend', 'Thinking of You', and 'You Are Amazing'.

[BEKIJK DEZE STAP - 19:30](#)

STAP 5 VAN 6

Use the sentiment stencil to add 'have a nice day' in black ink to the top right of your card. Position the stencil carefully and apply the ink evenly over the text.

STAP 6 VAN 6

Add a celebratory sentiment from the stamp set to complete your card design. Position the 'HAPPY HAPPY HAPPY HAPPY' sentiment on the right side of the iris image and stamp it in black ink.

TIPS UIT DE SHOW

- The two-part stamps don't need to line up perfectly; they're forgiving in design and the slight offset creates an intentional, artistic look.
- You can use the outline stamp independently on any project or card without the colour portion.
- The results look like you've painted the design yourself, making you look like an instant artist.
