

Time to Reflect-kaart met maan, water en glitter

EEN PROJECT UIT ONZE LIVESHOW - HSN SHOW MARCH 28TH - 23 MAART 2023

OVER DIT PROJECT

Create a stunning card featuring a silhouetted bird perched on a branch against a moonlit sky with water reflection below. The design uses soft pink and purple tones with sparkle accents, and incorporates a pre-designed stamp that includes the reflection detail. Add an inspirational sentiment 'Your only limit is you!' to complete this elegant and motivational card.

STAP VOOR STAP

STAP 1 VAN 7

Stamp the moon and water reflection design onto your card base using your chosen ink colour. The stamp creates a circular scene with a moon reflection and silhouette figure. Position the stamp centrally on your card front.

STAP 2 VAN 7

Select your stamp design from the Time to Reflect collection. The reflection effect is already incorporated into the stamp design itself, making it simple to create the mirrored water effect without additional techniques.

STAP 3 VAN 7

Using the stamp glitter moonlight pen, add foliage elements from the stamp set around your moon and water scene. Build up the trees and vegetation to create perspective and depth in your landscape.

STAP 4 VAN 7

Apply chunky glitter from the included pot to the stamped tree areas using your finger or an applicator. Gently tap the glitter onto the trees to create sparkles and highlights in the scene.

STAP 5 VAN 7

Use the white gel pen to add highlights to the moon, creating a crescent shape. Add small dots and sparkle effects around the moon and sky area to enhance the reflective quality of the scene.

STAP 6 VAN 7

Use stencils and coloured ink pads to add a background pattern around the moon and water reflection design. Apply the ink through the stencils to create a decorative frame for your card.

STAP 7 VAN 7

Use the gel pen to add highlights and details to your design. You can also colour your card with watercolours or other media to personalise it further.

TIPS UIT DE SHOW

- The reflection is built into the stamp, so you don't need to master any reflection technique.
- The white gel pen helps create highlights on the moon and water reflections.
- You can stamp this design onto pattern papers and add colour with pens, pencils or watercolours.
