

Masked Watercolour Trumpet Player Card

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 14 MAART 2023

OVER DIT PROJECT

Make an eye-catching card with a trumpet player silhouette surrounded by a soft watercolour halo. This project uses a paper mask technique to create dreamy pink backgrounds, then adds crisp black stamped details of a figure playing trumpet with the sentiment 'Life is Better with Music'. The combination of loose watercolour washes and precise line work creates a striking artistic effect.

2

STAP 2 VAN 8

Place the decorative stencil mask onto your white card base. Position it where you want the design to appear and secure it in place with your hand or low-tack tape to prevent it from moving.

3

STAP 3 VAN 8

Apply ink to a brush and use it through the stencil mask to create a soft, coloured background around where the image will be. Work gently to build up the colour gradually.

4

STAP 4 VAN 8

Carefully peel away the pink stencil mask from the stamped image to reveal the white areas beneath. Allow the pink ink to dry completely before proceeding to the next step.

TIPS UIT DE SHOW

- Make sure the ink is completely dry before stamping over the masked area to avoid smudging.
- You can use acetate for masks if you want a wipeable, reusable surface.
- The mask technique works with any stamp, so experiment with different images.
