

Ombre Ink Background with Masked Character Card

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 14 MAART 2023

HET EINDRESULTAAT

OVER DIT PROJECT

Create a stunning card featuring a beautiful ombre ink background in vibrant pink and purple tones with a masked hedgehog silhouette. This modern technique combines colour blending with stamped alphabet letters and a charming character image to produce an eye-catching, contemporary design. The masked stamping technique allows the character to stand out dramatically against the colourful gradient background.

STAP VOOR STAP

1

STAP 1 VAN 8

Create a paper mask of your chosen character stamp and position it on your white cardstock. This will protect the area beneath from ink whilst you create the ombre background.

2

STAP 2 VAN 8

Using a stamp platform, apply purple ink to the top area of your stamped card. Work the ink gently over the background alphabet pattern, blending it into the white card below.

STAP 3 VAN 8

Apply blue ink to the middle section of the card, blending it slightly with the purple ink already applied. Use gentle pressure to create a smooth ombre effect between the two colours.

STAP 4 VAN 8

Apply pink ink to the bottom section of the card using a blending tool, working upwards to create a gradient effect that blends into the purple layer above.

STAP 5 VAN 8

Carefully peel away the mask from the stamped background to reveal the silhouette of the character against the ombre ink background.

STAP 6 VAN 8

Stamp the character image in black ink directly over the ombre background, positioning it centrally over the masked area. The stamped image will appear in black outline over the coloured letter background.

STAP 7 VAN 8

Add additional stamped details around the character using the alphabet and text stamps from the set. Stamp randomly in purple and pink inks to create extra visual interest and enhance the urban, graffiti-style background.

STAP 8 VAN 8

Mount your stamped and coloured piece onto your card base. Add any final embellishments such as die-cut sentiments or decorative elements to complete your card.
